Directions: This form is used for grants, scholarships, loans, work study, and tuition waivers. Federal regulations require the Office of Financial Assistance to monitor the academic progress towards earning a degree for students receiving financial aid and certain exemptions/waivers. For this reason, your satisfactory academic progress (SAP) for financial aid is evaluated to verify that you have met all SAP standards. If you fail to meet the SAP standards shown below, you must complete this appeal form and provide supporting documentation to be reconsidered for financial aid or waiver eligibility. Please be aware, this appeal is for financial assistance only and has no bearing on your academic standing.
