

School of Extended Studies & Adult Degree Completion Program Fall ■, 2009 Schedule of Classes

Drop/Withdrawal Policy

Students are not dropped or withdrawn from courses if they do not attend. To qualify for a refund or reversal of charges you must drop or withdraw from class officially by notifying your academic counselor or learning center staff before the deadline shown. Notifying an instructor or failing to attend class does not constitute an official drop or withdrawal from a course nor does it eliminate the student's financial responsibility for course payment.

- **Refund tuition at 100% (minus a \$50 administrative fee per course) if the student drops before the end of the first week of classes (in writing before Friday @ 5:00 pm). The class will not be recorded on your permanent record.**
- **Students may withdraw up to the end of the sixth week (in writing before Friday @ 5:00 pm) without academic penalty. The student is responsible for full tuition and an administrative fee of \$50 per course. A grade of W will be issued.**
- **It is not possible to withdraw from courses after the sixth week of the term.**

Students withdrawing from UIW may be required to repay some of the federal grants and/or loans. The federal formula requires a return of Title IV aid if the student received federal financial assistance in the form of a Pell Grant, Supplemental Educational Opportunity Grant (SEOG), TIP Grant, Federal Stafford Loan or PLUS loan and withdrew on or before completing 60% of the semester. The percentage of Title IV aid to be returned is equal to the number of calendar days remaining in the semester divided by the number of calendar days in the semester. Scheduled breaks of more than four consecutive days are excluded. If any funds remain after the return of Title IV aid, they will be used to repay UIW funds, state funds, other private sources and the student in proportion to the amount received from each non-federal source as long as there is no unpaid balance at the time of withdrawal. If there is an unpaid balance, then all aid sources will be repaid before any funds are returned to the student.

Text Book Information

Text books for all undergraduate ADCaP students are provided free of charge. Most students will be using e-books for their classes. Some books are not yet adapted to e-book so a hardcover book will be available at the UIW Bookstore.

After you register for classes, and it is approved by your academic counselor, an email will be sent to your Cardinal Email account with complete instructions to either download the e-book or to get it from the UIW Bookstore. Read the email in its entirety before downloading or ordering the book from the Bookstore.

You are strongly advised, do not wait until the last minute to access your e-book. If you have any technical difficulties it will only serve to delay you in getting your text book.
