Welcome to our Campus!

I am pleased to welcome you to the inaugural Alumni and Parents Weekend at the University of the Incarnate Word. You will discover during the weekend that our campus, located at the headwaters of the San Antonio River, is a tranquil refuge that is equally conducive to meeting new friends or reminiscing with former classmates.

You will have an opportunity to participate in many different activities, including tours of the campus and meeting our faculty over coffee and pastries. You can also be part of Light The Way, the popular ceremony in which we light the campus with a million Christmas lights that has become a holiday tradition for families.

Throughout your stay, you will see that Incarnate Word is an exceptional community made up of diverse individuals from around the world pursuing a values-based college education. Our mission of human dignity and mutual respect calls for us to support one another while fostering excellence within a context of faith.

Please feel free to let us know if there is anything we can do to make your campus visit more enjoyable. Whether you are a graduate back for a visit, or are new to the University, you have my pledge that our faculty, staff and administration will do everything possible to ensure that you and your family have a positive experience as a member of the Incarnate Word community.

Louis J. Agnese, Jr., Ph.D.
