

Auditing Courses

Auditing courses are available to non-student, part-time or full-time students. Auditors that are *non-students or are enrolled in a part-time status pay 50% of regular tuition for lecture courses and any associated course fees; however, full tuition is charged for limited enrollment, private instruction and studio courses.

Audit courses follow the Last day for 100% Refund for any Undergraduate and Graduate courses. Deadlines may be found in the Main Campus Schedule of Classes (See [Academic Calendar](#)) or from the respective program administrator (i.e., ADCaP or Virtual University).

Full-time students may audit one lecture course (3-4 hours) per session (fall, spring, summer) at no cost. Any course fees associated with this enrollment will be the responsibility of the student.

Students are allowed to combine their total number of hours within a respective session to determine their full-time status. Undergraduates on the Main Campus are considered full-time with ≥ 12 enrolled hours, a Graduate and Doctoral student on the Main Campus is considered a full-time status at ≥ 9 hours. Full-time doctoral status changes when doctoral student is in dissertation writing phase and/or enrolled ≥ 3 hours. If a full-time student falls under banded tuition and, with the audit class, does not exceed a total of 18 hours, no discount will be granted.

Students enrolled in our ADCaP program will be allowed to audit courses within that program. Audit discounts are not applicable to Virtual University courses.

The deadline for changing enrollment in a course from graded to audit status is printed in the [Academic Calendar](#) located in the University Course Schedule.
