## Parking Permit Fees

All parking permits must be ordered online prior to being picked up in the Business Office. The annual cost of the permit will be assessed on your student account when your permit is ordered online from the Business Office. Parking decals must be picked up prior to the expiration of the temporary permit.

## Student Refunds

Student refunds will be processed after the 100% add/drop date for the semester. If you would like to expedite the process by receiving your refund directly to your bank account, please enroll in direct deposit. Please keep in mind that if you receive a refund, it does not necessarily imply that your student balance is $0. If you have not completed the Payment Authorization Form (see Title IV Federal Funding section below), some charges beyond tuition and fees may still have an outstanding balance on your student account.

To do so, the student will need to complete the Payment Authorization Form and return it to the Office of Financial Assistance.

## Payment Plans

The UIW Summer and Fall Payment Plans will be available beginning on **6 May 2016**. All students enrolled for Summer 2016 must enroll in a payment plan no later than **15 May 2016**, or pay their balance in full by the first day of class. All students enrolled for Fall 2016 must enroll in a payment plan no later than **15 August 2016**, or pay their balance in full by the first day of class. The payment amount will be the minimum amount due per month. Students may opt to make larger payments or pay off their balance sooner without penalty. Students who enroll after the enrollment deadline, or who do not make the minimum payment, may have late fees assessed on their account. Late fees are assessed after the 15th of each month.

Note: Students who wish to take advantage of a 6 month Fall payment plan must enroll no later than **15 May 2016**.
