

Financial Assistance Application Checklist

To apply for aid each year, you must:

- Request a Federal PIN (Personal Identification Number)** for electronic signatures at www.pin.ed.gov. Federal PINs are available for students and parents.
- Submit a completed FAFSA (Free Application for Federal Student Aid)** for electronic processing beginning Jan. 1 of each year on-line at www.fafsa.ed.gov. **The UIW school code is 003578.**
- Review your FAFSA results!** Once your FAFSA is processed, you will be notified by the Department of Education's Central Processing System by e-mail or regular mail concerning your Student Aid Report (SAR). It is important to review your SAR for accuracy and messages requesting additional information.
- Complete a SIF (Student Information Form)** in our office or download a copy on-line at www.uiw.edu/finaid under "Forms". The SIF provides information and required certifications needed to disburse your aid.
- Complete additional documents required from your FAFSA application** (for example, if selected for verification you will submit a Federal Verification Worksheet and signed copies of Federal Tax Returns).

To be eligible for financial assistance, you must:

- Enroll at least half-time in a degree-seeking program** (half-time enrollment is 6 hours per semester for all undergraduate students, 4 hours per semester for graduate students, and 3 hours per semester for Ph.D. students).
- Maintain SAP (Satisfactory Academic Progress)**. This means that you must complete at least 75% of the coursework attempted, maintain a minimum 2.0 cumulative grade point average for undergraduate students or 3.0 for graduate students, and not exceed 125% of the credit hours required for graduation.
- Not be in default on any federal and/or state loan, or owe a refund on any federal or state grant.**
