In an effort to support UIW students in obtaining an international experience, the university has designated funds for study abroad awards. These funds are meant to recognize students that are excelling academically as well as provide resources for students that would otherwise be unable to participate in international programming. Students may apply for these funds on a competitive basis to supplement the costs of a global experience.

Applications are ranked according to need, academic merit, program of choice, and duration of trip. For the 2015-2016 academic year, there are awards available for qualified students going to the Heidelberg campus, attending a UIW Sister School campus, or participating in a UIW Faculty led trip. **Students who attend John Cabot University, any University of Arts London campus, and American University of Paris are not eligible for the award.**

Students must meet the following criteria to apply:

- Minimum 3.0 GPA at UIW
- Minimum 75% completion rate
- Must be degree seeking
- Demonstrate need based on their 2015-2016 FAFSA
- Attach a one page essay describing your motivation to study abroad

Please complete this application and return to the Office of Financial Assistance, along with your typed essay.
