About the UPS Scholarship:

TICF is pleased to announce the UPS scholarship is available for the 2009-2010 academic year. The UPS scholarship is for undergraduate students with good academic standing and financial need (a 2009-10 FAFSA must be on file with UIW Office of Financial Assistance to prove need). For more than 50 years, The UPS Foundation has provided support through grant programs and initiatives that help improve the quality of life in communities where United Parcel Service employees live and work. In 1974, The UPS Foundation established its Educational Endowment Fund in partnership with the Foundation for Independent Higher Education (FIHE) in Washington, D.C. The UPS scholarship program is administered by FIHE in cooperation with the Texas Independent College Foundation, its Texas partner. UPS Scholars are selected by each institution on the basis of financial need and academic achievement. Since 1975, The UPS Foundation has contributed a total of \$2,088,000 to the Texas Independent College Foundation.

About TICF:

The Texas Independent College Foundation was established in 1952 to raise funds for scholarships and other resources for its member institutions.

Thank you!
