

Application for 2007 Summer Financial Assistance for Main Campus Undergraduate and Graduate Students

To apply for Summer financial assistance, you must complete the following:

- Complete your 2007-2008 financial assistance file including your 2007-2008 FAFSA, 2007-2008 Student Information Form and any other requested documentation.
- Register for at least 6 undergraduate and 4 graduate hours over all the Summer sessions in order to use Federal loans. You will not be awarded summer assistance prior to summer enrollment.**
- Submit the 2007 Summer Application for Financial Assistance once your 2007-2008 financial aid file and Summer 2007 registration are complete.
- Notify the OFA of any change in your housing, enrollment or outside resources (scholarships, tuition reimbursement, and discounts on tuition). Please note that any of these changes may affect your award.

What funds are available?

Summer financial aid includes loans (federal or private) and work-study (if eligible). Grant assistance under the ContinUIW program is also available (\$1000 for 3 hours, \$1500 for 6 hours and \$2000 for 9 hours, along with an additional \$500 for students living on campus).

Can I use Federal Stafford Loans?

Yes, however it decreases the total amount you will have available in the Fall and/or Spring. For example, if you are eligible for \$3500 in Stafford funds for the 2007-2008 academic year and you borrow \$1000 in Stafford funds for the Summer, then you would have a remaining eligibility of \$2500 for Fall and Spring. **You will need to find a way to replace Stafford funds used in the Summer with additional loan assistance or personal payments during the Fall and/or Spring.**

Can I get living expenses?

You are entitled to living expenses during periods of enrollment. For example, if you are registered in Summer II, you can receive living expenses for the 6 weeks you are enrolled (and you would not be eligible for living expenses during Summer I when you are not enrolled). Remember that the amount you borrow is decreasing your overall Stafford loan limit, so borrow conservatively.

Name _____ Phone # _____

ID# _____ Grad Date _____

Classification (check one):

Undergraduate Graduate

Type of Aid Requested (check all that apply): Work Program Loans

Housing (check one): On-Campus Double Off Campus At Home with Parents

Budget Requested (check all requested): Tuition Fees Books Living Expenses

For Office Use Only:

Enrollment: _____ Summer I _____ Summer II _____ Summer10 _____ Pastoral Institute

Budget _____ - Prorated EFC _____ = Need _____

ContinUIW _____ Work Program _____ + Sub Stafford _____ + Unsub Stafford _____ = _____

Use 1 month EFC for each individual 6 weeks, 2 month for 10 weeks and 3 month for Summer I and II combined

Note on RHACOMM includes budget, hours, need and award
