Job Title: Shop Staff – Stage Carpenter

Description/Qualifications:
Carpenters assist in the construction of scenery and preparing performance spaces for the theatre productions. In addition, these employees help maintain a safe working environment in the scene shop and theatre spaces. Occasionally, more experienced staff will help train crew members

Specific skills: Must demonstrate safe work practices, have knowledge of power tools, measuring and shop math and knowledge of “basic” shop materials (glues & woods). The successful applicant will also have an understanding of basic wood joins and fasteners.

Office Hours: Generally 10am – 6 pm
Days Available: Monday - Friday
Weekend work? When necessary
Evening Work? When necessary
