View Student Test Results

You have completed a test, and you need to see what you answered incorrectly. As long as your instructor has adopted the proper options for feedback, you can do this.

1. Locate **My Grades** in your course, and click on it

2. On the **My Grades** page, locate the **exam link**, and click it

3. On the **Attempts** page, click your **grade**

4. **Scroll through** to review the results
