A Commencement Packet with detailed information and forms will be sent to your university email address in October (for the December ceremony) and March (for the May ceremony). **The University will not hold a rehearsal for Commencement, therefore you must watch for all information to be provided by mail or email.** For this reason all changes to your mailing address or email address should be reported to the Registrar’s Office as soon as possible. Please check the graduation link on the Registrar’s Office webpage regularly for additional graduation information.

Meeting posted deadlines determines if you receive tickets for the Commencement ceremonies and whether or not we assess the late fees (\$50 to \$150).
