## Section 1: University of the Incarnate Word Mission

The first Sisters of Charity of the Incarnate Word, three young French women motivated by the love of God and their recognition of God's presence in each person, came to San Antonio in 1869 to minister to the sick and the poor. Their spirit of Christian service is perpetuated in the University of the Incarnate Word primarily through teaching and scholarship, encompassing research and artistic expression. Inspired by Judeo-Christian values, the Catholic Intellectual Tradition, and Catholic Social Teaching, the University of the Incarnate Word aims to educate men and women who will become concerned and enlightened citizens within the global community.

The University of the Incarnate Word is committed to educational excellence in a context of faith in Jesus Christ, the Incarnate Word of God. Thus, through a liberal education the university cultivates the development of the whole person and values of life-long learning. To that end, faculty and students support each other in the search for and communication of truth, thoughtful innovation, care of the environment, community service, and social justice.

The University of the Incarnate Word is a Catholic institution that welcomes to its community persons of diverse backgrounds, in the belief that their respectful interaction advances the discovery of truth, mutual understanding, self-realization, and the common good.

## Section 2: Introduction

The University of the Incarnate Word (UIW) community is committed to fostering a campus environment that is conducive to academic inquiry, a productive campus life and thoughtful study and discourse. A community exists on the basis of shared values and principles. At the University of the Incarnate Word, student members of the community are expected to uphold and abide by certain standards of conduct that form the basis of the Student Handbook and Student Code of Conduct. These standards are embodied within a set of core values that include integrity, fairness, respect, community, and responsibility. When members of the community fail to exemplify these values, campus conduct proceedings are used to assert and uphold the Student Handbook and Student Code of Conduct.

Ultimately, each member of the University of the Incarnate Word community is expected to assume responsibility for their conduct and to assume reasonable responsibility for the behavior of others. On occasion, this will involve kind and courteous admonition done when one member observes another in inappropriate conduct. At other times, it will involve cooperation when there are investigations of alleged misconduct.

## Section 3: Notice to Students

University of the Incarnate Word students are responsible for knowing the information, policies and procedures outlined in this document. Students are annually given a copy of the Student Handbook in the form of a link on the UIW website. This is emailed out to all UIW students during the first week of each semester. Hard copies are available upon request from the Dean of Campus Life.

Students are charged with the responsibility of having read, and agreeing to abide by, the provisions of the Student Handbook and the authority of the student conduct process. The university reserves the right to make changes as necessary and without advance notice.

## Section 4: Rights and Freedoms of Students

On January 17, 1968, the Joint Statement on Rights and Freedoms of Students was adopted by the Association of American Colleges. The joint statement was previously endorsed by the United States National Student Association, the Association of American University Professors and the National Association of Student Personnel Administrators and the National Association of Women Deans and Counselors.

Copies of the statement with interpretive notes to reflect changes in the law and higher education that occurred after 1968 and the removal of gender-specific references are available from Office of Student Success and at <http://www.aaup.org/AAUP/pubsres/policydocs/contents/stud-rights.htm>. The policies and procedures of the university apply to the extent the Joint Statement is inconsistent with or in conflict with university policies or procedures.

## Section 5: The Student Code of Conduct

The student conduct process at the University of the Incarnate Word is not intended to punish students; rather, it exists to protect the interests of the community and to challenge those whose behavior is not in accordance with our policies. Sanctions are intended to challenge students' moral and ethical decision-making and to help them bring their behavior into accord with our community expectations. When a student is unable to conform their behavior to community expectations, the student conduct process may determine that they should no longer share in the privilege of participating in this community.

Students should be aware that the student conduct process is quite different from criminal and civil court proceedings. Procedures and rights in student conduct procedures are conducted with fairness to all, but do not include the same protections of due process afforded by the courts. Fair process, within these procedures, assures written notice and a hearing before an objective decision-maker.

No student will be found in violation of the Student Code of Conduct without information showing that it is more likely than not that a policy violation occurred, and any sanctions will be proportionate to the severity of the violation and to the cumulative conduct history of the student.

### **A. Jurisdiction**

The Student Code of Conduct and the student conduct process apply to the conduct of individual students and university-affiliated student organizations. Because the Student Code of Conduct is based on shared values, it sets a range of expectations for the University of the Incarnate Word students no matter where or when their conduct may take place; therefore, the Student Code of Conduct applies to behaviors that take place on the campus, at university-sponsored events and may also apply off-campus when the administration determines in its discretion that the off-campus conduct affects a substantial university interest. A substantial university interest is defined to include:

- Any action that constitutes criminal offense as defined by federal or Texas state law. This includes, but is not limited to, single or repeat violations of any local, state or federal law committed in the municipality where the university is located;
- Any situation where it appears that the student may present a danger or threat to the health or safety of him/herself or others;
- Any situation that significantly impinges upon the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder; and/or

- Any situation that is detrimental to the educational interests of the university.

The Student Code of Conduct may be applied to conduct that takes place from the time a person accepts enrollment as a student and continues until the student withdraws or graduates, including periods during semester breaks and between semesters. Further, the Student Code of Conduct applies to guests of community members whose hosts may be held accountable for the misconduct of their guests. Visitors to and guests of the University of the Incarnate Word are also protected by the Student Code of Conduct and may initiate grievances for violations of the Student Code of Conduct committed against them by members of University of the Incarnate Word community.

There is no time limit on reporting violations of the Student Code of Conduct as long as the offending student is still enrolled at the University of the Incarnate Word; however, the longer someone waits to report an offense, the harder it becomes for University of the Incarnate Word officials to obtain information and witness statements in order to make a determination regarding alleged violations. Though anonymity is permitted, it may limit the university's ability to investigate and respond to a complaint. Those who are aware of misconduct are encouraged to report it as quickly as possible to the Office of Student Conduct and/or to Campus Police.

### **B. Authority**

The Director of Student Conduct and Community Standards is the person designated by the Vice President for Campus Life and Facility Management, who has been charged by the President of the university, for the administration of the Student Code of Conduct.

The Director of Student Conduct and Community Standards (or designee) will assume responsibility for the investigation of an allegation of misconduct to determine if the complaint has merit. No complaint will be forwarded for a hearing unless there is reasonable cause to believe a policy has been violated. Reasonable cause is defined as some information to support each element of the offense, even if that information is merely a credible witness or a victim's statement. A complaint wholly unsupported by any information will not be forwarded for a hearing.

If an allegation can be disposed of by mutual consent of the parties involved, on a basis acceptable to the parties involved and the Director of Student Conduct and Community Standards (or designee), such disposition will be final and there will be no subsequent proceedings.

The Director of Student Conduct and Community Standards has discretion to refer a complaint for mediation. All parties must agree to mediation and to be bound by the decision with no review/appeal. Any unsuccessful mediation can be forwarded for formal treating and hearing; however, at no time will complaints of physical sexual misconduct or violence be mediated as the sole institutional response. The Director of Student Conduct and Community Standards may also suggest that complaints that do not involve a violation of the Student Code of Conduct be referred for mediation. If the complaint cannot be disposed of in a manner mutually acceptable, the Director of Student Conduct and Community Standards will refer the complaint to a Student Conduct Administrator or the Conduct Review Council (CRC). There is, generally, a preference to refer disputed claims to the CRC; however, the Director of Student Conduct and Community Standards retains ultimate discretion over complaint referrals.

## **F. Student Conduct Procedures**

Should a student be involved in an alleged violation of the Student Code of Conduct, the procedures for the conduct process are available on the Student Conduct & Community Standards website, [available here](#).

## **G. Acknowledgments**

The University of the Incarnate Word Student Code of Conduct is based upon Ed Stoner's Model Code and the Model Code of NCHERM authored by Brett A. Sokolow, Esq. Rights of use have been granted by NCHERM to the University of the Incarnate Word. No other use is permitted without the express permission of NCHERM.

### **Section 6: Academic Policies**

Many of the University's academic policies are housed by the Registrar's office, with information available online at <https://www.uiw.edu/academics/academicpolicies.html>. Please refer to the Registrar's office for the most up-to-date information regarding these policies.

Additionally, the Faculty Handbook includes some additional classroom policies that students should review and be aware of their applicability in their coursework. The Faculty Handbook is available at [https://my.uiw.edu/facultyhandbook/\\_docs/faculty-handbook.pdf](https://my.uiw.edu/facultyhandbook/_docs/faculty-handbook.pdf). Students should review these sections in particular:

- Chapter 6: Policies/Procedures Related to Instruction (pg. 112-118)
- Appendix 18: Policy on Academic Integrity (pg. 192-194)
- Appendix 19: Student Complaints (pg. 195-201)
- Appendix 21: Classroom Recording Policy (pg. 204-207)

### **Section 7: Alcohol and Other Drugs**

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, UIW policy expressly forbids possession and/or consumption of alcohol by students, employees or guests who are under the minimum legal drinking age of 21 years. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on university property or at university sponsored activities.

The university affirms that illegal drug use is wrong and harmful. The use of illegal drugs and alcohol abuse by students and employees could result in cognitive deficits, loss of productivity and other health risks. These risks include an increased incidence of accidents which may result in death or permanent injury. For information regarding the health effects of alcohol/drug use, the law and resources available to UIW students and staff, please see the appendices of this document. Students exhibiting signs of excessive alcohol consumption will, at a UIW Campus Police officer's discretion, be transported via Emergency Medical Services (EMS), and at the student's expense, for medical attention. Refusal to cooperate with EMS personnel may result in arrest for Emergency Detention in order to ensure the student's health and safety.

## **A. Alcohol Policy**

The following sections describe UIW's policy regarding the sale, service, distribution, and consumption of

alcoholic beverages on university property or at university sponsored events in accordance with federal, state and local laws.

1. Students who are 21 years of age or older are permitted to possess and consume alcohol in designated university housing rooms, if not residing with minors or if minors are not present. Students who are of legal drinking age may not share or provide alcohol to any students, employees or guests who are under 21 years of age.
2. Those under the minimum legal drinking age of 21 years are not permitted to possess or consume alcohol or provide alcohol beverages to others anywhere on university property or at university sponsored events.
3. Drinking games are prohibited on campus.
4. The university will not sell, serve or permit the sale of alcohol on campus except in specifically designated building or facilities named by the President of the university. The Dean of Campus Life will maintain a current list of those facilities authorized for an alcohol permit on a permanent or temporary basis.
5. Alcohol beverages may not be possessed or consumed in classrooms, hallways, residence hall lounges, on athletic grounds, in the pool area, or in campus public areas including parking lots, streets and sidewalks or any other area unless designated by the President of the university. Any area on campus can be designated for "temporary use" at the discretion of the President or Dean of Campus Life.
6. Alcoholic beverages may be sold, served, or consumed in special use facilities only if the activity is (a) in compliance with law, and (b) occurs at social gatherings approved by the Dean of Campus Life or the President of the University.
7. Any sponsoring person or organization must obtain prior written approval from the Director of Campus Engagement for the sale, service or consumption of alcoholic beverages for a specific event. The Dean of Campus Life reserves the right to deny the sale or consumption of alcoholic beverages at any event with sound reason.
8. The Director of Campus Engagement may approve alcoholic beverages at events meeting all the following conditions (a) The event is held in a special-use location, facility, or building; (b) The event is requested by an administrator, faculty, staff, student organization, university department or division; (c) The event will have a majority of individuals over 21 years of age in attendance; (d) Food is served and alternate non-alcoholic beverages are provided; (e) The sale and serving of alcoholic beverages be discontinued at least one hour before the event ends; (f) proper security for the event is provided at ticket booths and distribution areas where alcohol is sold and/or served and officers patrol the event location, and (g) Alcohol is dispensed by a licensed Texas Alcohol Beverage Commission (TABC) server or is BYOB\*. \*with permission
9. The Dean of Campus Life, UIW Police Chief, Director of Special Events, and Director of University Events and Student Programs (if student group or organization) will determine the adequate number of security officers for the event.

## **B. Procedures for Serving Alcohol on Campus**

1. A request for approval of service and consumption of alcoholic beverages at an on-campus event will be directed to the Dean of Campus Life at least thirty (30) business days prior to the event. Sponsors initiating such a request should obtain an "alcoholic beverage activity permit" from the Dean of Campus Life or the Director of Special Events.
2. At least fifteen (15) working days prior to the date of the proposed event, the sponsor should take the completed form to the Director of Special Events, who will inform the sponsor of any specific policy or procedural limitations regarding the use of the facility. If the Director of Special Events approves the proposed event, they will sign the "alcoholic beverage activity" permit and return it to the sponsor.
3. If the University's food service contractor will be used to serve the alcoholic beverages, the sponsor must

contact the contractor at least fifteen (15) working days prior to the proposed event. The food service contractor should inform the sponsor of all requirements for service on the proposed date, and will coordinate TABC permits, if necessary.

4. The sponsor should then contact the Chief of Campus Police at least fifteen (15) working days prior to the scheduled event in order to determine the need for officers at the scheduled event. The Director will assign the number of officers and assess the costs to be incurred by the sponsor. If they approve the proposed event, the Director will then sign the alcoholic beverage permit and return it to the sponsor.
5. The sponsor will deliver the form to the Dean of Campus Life. If the Dean approves the event, they will sign the form, notify the sponsor, and send copies to offices involved in coordination of the event.
6. After the Dean of Campus Life approves the event, the sponsor will notify the Director of Special Events who will then place the event on the University Calendar.
7. If a planned event is canceled, the sponsor is responsible for notifying the Dean of Campus Life, the Chief of Campus Police, Special Events and Dining Services as soon as possible. The University will ensure that all permits required by the Texas Alcohol Beverage Commission (TABC) are approved prior to the activity.
8. Student organizations or groups should review the Student Organization Handbook - Requirement for Securing an Alcohol Permit at <https://www.uiw.edu/studentlife/organizations/index.html>.

### **C. Violations of the University Alcohol Policy**

UIW prohibits the unauthorized possession, use, or distribution of alcoholic beverages to others except as expressly permitted by law and UIW's Alcohol Policy. Students who violate these policies can expect significant sanctions, up to and including suspension or expulsion from the university. UIW's conduct system allows parent/guardians to be notified when their student who is under 21 years old has been found responsible for violating the alcohol policy.

### **D. Illegal Drug Policy**

Possession of drug paraphernalia and the use, manufacture, sale, or distribution of illegal drugs, whether on or off campus, by any student is prohibited, in accordance with federal, state and local laws. Students who violate these policies can expect significant sanctions, up to and including suspension or expulsion from the university however, this policy provides flexibility for the university in addressing drug related offenses which occur on or off campus. Moreover, it permits the university to address its fundamental Mission of holistic education and the development of human potential.

### **E. Violations of the Illegal Drug Policy**

While recognizing that there is a need to address violations related to the use or possession of controlled substances, the university must address the education and well-being of all its students and employees. In addition to university-imposed sanctions, students and employees are subject to all legal sanctions under federal, state and local law for any offenses involving illegal drugs on university property or at university activities.

## **Section 8: Children on Campus Policy**

The University of the Incarnate Word (UIW) celebrates the presence of children in the lives of our large campus family and UIW is committed to ensuring the health, safety and well-being of children. The university encourages safe, supervised campus visitations by children for the purposes of making decisions about their academic future, educational, cultural, or sporting events and camps. For purposes of this policy, a child is defined as a person under the age of 18.

The university campus grounds and infrastructure are designed to provide an environment conducive to

academic and occupational activities performed by students and employees. For reasons that include safety of children, and assuring professional efficient performance of academic pursuits, operations and services, the university has implemented this policy. This policy addresses health and safety matters relating to children on all premises owned and/or operated by the University of the Incarnate Word, including main campus, Incarnate Word High School and St. Anthony Catholic High School. The policy applies to all students, visitors, vendors, guests and volunteers on all campus locations.

For the policy regarding employees' children on campus, please refer to the Employee's Children on Campus policy in the UIW Employee Handbook at [https://my.uiw.edu/hr/\\_docs/employeehandbook.pdf](https://my.uiw.edu/hr/_docs/employeehandbook.pdf).

***Rules regarding children:***

1. As a matter of safety, children, while on campus, are to be attended at all times by the person responsible for the care of the child. This means that children may not be on campus except while in the active care of an adult parent, guardian or designated child-care person over age 18. Children may not be left unattended and unsupervised at any time in any location, including dormitory rooms, hallways, bathrooms, Dining Hall, library, Campus Life lounge, and recreational fields.
2. The university does NOT accommodate nor allow children in classrooms during class. However, faculty may allow short, non-routine classroom attendance by a child when accompanied by the parent/guardian. The presence of the child must not compromise classroom safety or the conduct of the class. This must be a rare circumstance that should not occur more than once a semester and not longer than 30 minutes.
3. Children are not permitted in any campus facility where obvious danger is present.
4. Children are not allowed in science and photographic laboratories, laboratory preparation areas, and art rooms as there is possible exposure to potentially harmful agents and substances, including, but not limited to chemicals, biological materials, or radiation sources.
5. Children are not permitted where any shop activity is conducted including grounds maintenance, vehicle maintenance, carpenter's shop, fabrication of instruments and laboratory apparatus, sewing, welding, machinery operation, or renovation activities.
6. Children are not permitted in any kitchen or other food preparation areas.
7. Children are not permitted in the recording, broadcast and music studios.
8. At all times when the child is on campus, the child is the sole responsibility and liability of the parent or legal guardian. The parent or legal guardian is responsible for any personal injury to university employees, students and guests, or property damage caused by the child, and the parent or guardian may be held liable.
9. Any accident/injury involving a child must be immediately reported to Campus Police at (210) 829-6030.
10. Children that are not in the active care of an adult parent or guardian are allowed on campus in the following situations:
  - a. While children are attending an organized and structured camp held on the campus of the university, such as a summer sports or academic camp.
  - b. Children at the university that are enrolled students that are employed by the university, or on an internship. Note that before a child under the age of 18 is allowed in the workplace, they must complete the Hazard Assessment Request for Minors in the Workplace located on the Environmental Health Safety and Risk Management Blackboard Page.

Questions concerning this policy can be submitted to the Environmental Health Safety and Risk Management office at (210) 829-6035 or by email at [sgmcdani@uiwtx.edu](mailto:sgmcdani@uiwtx.edu).

## Section 9: Concealed Weapons Policy

**The University of the Incarnate Word is a weapons-free campus. UIW opted out of Texas Senate Bill 11, also known as “Campus Carry”:** The University of the Incarnate Word will exercise the “opt out” provision of Texas Senate Bill 11, also known as the “Campus Carry” law, after discussions with the campus community.

Pursuant to the Texas Penal Code, Sections 30.06 (Trespass by License Holder with a Concealed Handgun) and 30.07 (Trespass by License Holder with an Openly Carried Handgun), a person licensed under subchapter H, Chapter 411, Government Code (Handgun Licensing Law), may not enter the UIW property with a concealed handgun, or a with a handgun that is carried openly. The use, possession or carrying of any weapon, including but not limited to a concealed handgun, by any person on UIW property (with the exception of authorized weapon(s) carried by Campus Police officers while on duty or as otherwise specifically permitted by Texas law) is prohibited and in violation of a state law. Any UIW student violating this policy will be required to leave the premises immediately and not return until they have disposed of the weapon. Violation of this policy may also result in disciplinary action up to and including expulsion from the university. Guests or visitors of UIW carrying any weapon(s) will be advised of this policy and asked to immediately leave the premises. Any student who becomes aware of someone on campus possessing a weapon should immediately report it to Campus Police at (210) 829-6030.

## Section 10: Free Speech

UIW affirms every individual’s right to freedom of expression and fosters the culture of tolerance and civility that is necessary for the accomplishment of its educational goals. The academic freedom of an educational institution can create a tension with the prohibition of harassing behavior. UIW is a community that values freedom of speech and expression. As conveyed by the Constitution, these rights have limitations, and the same is true here. Limitations on free speech include: endangering someone or threatening them; inciting violence; using “fighting words” directed at an individual or group that is directly provoking violence; defamation; obscenity; and discrimination that limits someone’s educational or employment access and /or opportunities. UIW does not consider visual and /or aural demonstrations, depictions or conduct to be sexual harassment when there is a legitimate pedagogical context, such as material having an appropriate connection to course subject matter, or campus discourse on topics of political, artistic, or social issues.

## Section 11: Gambling

Students are expected to abide by the federal laws and the laws of the State of Texas prohibiting illegal gambling, including online gaming. Gambling for money or other things of value on campus or at university-sponsored activities is prohibited except as permitted by law. Such prohibited activity includes, but is not limited to: betting on, wagering on, or selling pools on any university athletic event; possessing on one’s person or premises (e.g., room, residence unit, car) any card, book or other device for registering bets; knowingly permitting the use of one’s premises or one’s telephone or other electronic communications device for illegal gambling; knowingly receiving or delivering a letter, package or parcel related to illegal gambling; offering, soliciting or accepting a bribe to influence the outcome of an athletic event; and involvement in bookmaking or wagering pools with respect to sporting events.

The University of the Incarnate Word is committed to its role as an academic institution in which a variety of ideas can be responsibly presented and critically examined. As the mission of our institution states: “The University of the Incarnate Word is a Catholic institution that welcomes to its community persons of diverse backgrounds, in the belief that their respectful interaction advances the discovery of truth, mutual understanding, self-realization, and the common good.” Because the university is a teaching/learning community, it provides a forum for speakers and performances that will be of interest and benefit primarily to our students, the leaders of tomorrow, and faculty, and in some cases, the general public.

The University of the Incarnate Word recognizes that freedom of speech and academic freedom are an integral part of the university community. This policy on public speakers refers to presentations or performances that are intended for or open to the entire university or to the general public. It does not refer to or diminish the right of student organization advisors to invite guest speakers to a student organization meeting. As stated in the *Faculty Handbook*, “Instructors may schedule off-campus speakers to appear before classes. However, the instructor in charge of the class is completely responsible for the acceptability of such a speaker and his or her relevance to the course.” This policy likewise recognizes the right of student organizations to hear presentations that reflect the interests for which the group was established.

**The goal is to encourage reasoned and respectful discussion about serious issues of the day, without the expectation of total agreement in the end.** The University of the Incarnate Word, as a not-for-profit institution, is obliged to comply with federal and state regulations which prohibit the support of political candidates, political parties or political positions pending before legislative bodies. The university does not sponsor programs designed to raise funds for political candidates, parties, or positions. UIW provides equal access to candidates and political opinions to stimulate the kind of debate that will educate our students about political agendas and issues that are important in the electoral process.

**The university values its identity as a Catholic university sponsored by the Sisters of Charity of the Incarnate Word. It seeks to balance diverse theological opinions within the Catholic community but does not provide a platform for attack or derision directed to the Catholic Church, its governance or doctrine or any other religions, beliefs or practices.** It does provide the space and opportunity to address difficult contemporary questions and does this in a way that advances understanding and does not silence contrary opinion.

### **Procedures:**

1. When an invitation to a speaker or performance group is being seriously considered, and before an invitation or contract is initiated, the student organization will give the Office of Campus Engagement the information about the speaker, topic, etc.
2. If the dean in discussion with the director, or faculty advisor sees no connection to or conflict with the UIW Speakers Policy, the event is cleared, and the student organization may proceed.
3. If the dean, after discussion with the director, or faculty advisor has concerns about the speakers or presenters involved or the content or topic being addressed, the next step will be to discuss the matter with the Provost, who in turn will seek guidance from knowledgeable experts on campus.
4. In light of the UIW Speakers Policy, and after sufficient dialogue, the Provost will make a determination about whether or not an invitation should be extended.
5. In the event of disagreement about the decision of the Provost, the President of the university will be consulted.

## Section 13: Harassment-Free, Equal Opportunity Work and Learning Environment Policy\*

UIW is committed to providing a professional and collegial work and learning environment that values diversity and emphasizes the dignity, respect, and worth of every individual. Accordingly, no form of harassment or conduct which is inappropriate and that may lead to or suggest harassment is tolerated by or against all employees, students, vendors, contractors or any other individuals engaged in activities on behalf of UIW.

UIW prohibits any harassment, bias or prejudice on the basis of an individual's race, color, national origin, sex, gender, age, disability, genetic information, veteran status, or any other factor protected by law in either employment or the provision of services. This includes, but is not limited to, the following forms of sexual harassment: unwelcome sexual advances, requests for sexual favors, and other verbal or nonverbal behavior or physical contact of a sexual nature (regardless of how the overture is communicated) when:

1. Submission is made explicitly or implicitly a condition of the individual's employment, or educational experience;
2. Submission to or rejection of the overture is used as the basis for employment decisions or academic decisions that affect the individual; or
3. The conduct has the purpose or effect of interfering unreasonably with an individual's work performance, academic performance, participation in extracurricular activities or creating an intimidating, hostile or offensive work environment.

**Sexual harassment** may involve individuals of the same or opposite sex and is prohibited whether directed towards men or women. Such conduct is inappropriate whether the individual consents to it or not.

**National origin harassment** is associated with an individual's place of origin, or because an individual is affiliated with, or has the physical, cultural or linguistic characteristics of a particular group. Examples of this type of harassment may include, but are not limited to, the following: unwelcome slurs, jokes, and comments; other unwelcome verbal statements; graphic and offensive pictures; and/or unwelcome physical contact.

### Reporting Violations of this Policy

Students having a complaint should report the harassment to the Director of Student Conduct & Community Standards or in person or by telephone as published in the Campus Directory. Complaints regarding faculty may be made to the Provost by telephone. Complaints related to the Sexual Misconduct Policy should be referred to the Director of Title IX. Incidents or concerns may also be reported online: [www.uiw.edu/report](http://www.uiw.edu/report)

**\*The entire policy is published in the UIW Employee Handbook:**

<http://www.uiw.edu/hr/documents/employeehandbook.pdf>

*As a Catholic institution of higher education sponsored by the Sisters of Charity of the Incarnate Word, the University of the Incarnate Word is, however, exempt from compliance with some provisions of certain civil rights laws, including some provisions of Title IX of the Education Amendments of 1972.*

## Section 14: Hazing

### University Statement

Involvement in student organizations and groups should offer students personal development, education, and enriching experiences. Hazing is a destructive and harassing activity that not only is in opposition to those goals,

but also violates state and national laws. In turn, the University of the Incarnate Word regards any form of hazing as an unproductive and hazardous custom contrary to the Mission of UIW. The University of the Incarnate Word issues the following extension of the State of Texas law. Under the current law, individuals or organizations could be subject to fines and charged with a criminal offense for hazing.

According to the law, a person can commit a hazing offense by engaging in a hazing activity, but also by soliciting, directing, encouraging, aiding, or attempting another in hazing by knowingly or recklessly allowing hazing to occur or by failing to report in writing to the appropriate university official firsthand knowledge that a hazing incident has occurred. The fact that a person consented to or acquiesced in a hazing activity is not a defense to prosecution for hazing under state law.

Because of UIW's dedication to the highest ideals of education and society, participation in hazing related activities is not consistent with membership in any university organization or group and will not be tolerated, whether the participation is as an instigator or as a victim. It is the responsibility of all organization officers or groups to ensure that this information is distributed, read and understood by all members of their organization. Ignorance of this information is not a defense to university disciplinary procedures, civil, or criminal liability.

### **Policy**

Hazing means any intentional, knowing, or reckless act, occurring on or off the campus of an educational institution, by one person alone or acting with others, directed against a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in an organization if the act:

1. is any type of physical brutality, such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activity;
2. involves sleep deprivation, exposure to the elements, confinement in a small space, calisthenics, or other similar activity that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student;
3. involves consumption of a food, liquid, alcoholic beverage, liquor, drug, or other substance, that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student;
4. is any activity that intimidates or threatens the student with ostracism, that subjects the student to extreme mental stress, shame, or humiliation, that adversely affects the mental health or dignity of the student or discourages the student from entering or remaining registered in an educational institution, or that may reasonably be expected to cause a student to leave the organization or the institution rather than submit to acts described in this subdivision;
5. is any activity that induces, causes, or requires the student to perform a duty or task that involves a violation of the Student Code of Conduct; other university policies; or local, state, or federal laws; or involves coercing the student to consume:
  - a. a drug;
  - b. or an alcoholic beverage or liquor in an amount that would lead a reasonable person to believe that the student is intoxicated

The law defines organization as fraternity, sorority, association, corporation, order, society, corps, club, or student government, a band or musical group or an academic, athletic, cheerleading, or dance team, including any group or team that participates in National Collegiate Athletic Association competition, or a service, social, or similar group, whose members are primarily students.

Any person who voluntarily reports a specific hazing incident involving a student to the Dean of Campus Life or

other appropriate official of the institution is immune from civil or criminal liability that might otherwise be incurred or imposed as a result of the reported hazing incident if the person:

1. reports the incident before being contacted by the institution concerning the incident or otherwise being included in the institution's investigation of the incident; and
2. as determined by the Dean of Campus Life or other appropriate official of the institution designated by the institution, cooperates in good faith throughout any institutional process regarding the incident [report].

Immunity extends to participation in any judicial proceeding resulting from the report. A person is not immune if the person:

1. reports the person's own act of hazing;
2. reports an incident of hazing in bad faith or with malice [is not protected by this section].

**See Texas Hazing Laws: Title 2, G, Chapter 37, Subchapter F, 37.151.**

### **Public Notice**

Effective September 1, 2019, as mandated by law, UIW will, before the first class day of the Fall and Spring semesters, provide each enrolled student a summary of the hazing policy and a copy of the UIW Hazing Report, which provides information on hazing committed on or off campus by an organization registered with or recognized by UIW. This report will include:

- The name of the organization;
- The date of the incident;
- The date the University began its investigation;
- A general description of the incident;
- The findings of the University or court;
- The sanctions and/or imposed by the University or court;
- The date the investigation was resolved.

This report will be updated to include information on any disciplinary process, no more than 30 days after the resolution of incident. Additionally, UIW will provide each student who attends student orientation a notice regarding the nature and availability of the UIW Hazing Report, including the report's Internet website address.

To report an incident or concern, go to: [www.uiw.edu/report](http://www.uiw.edu/report). To review the UIW Hazing Report, go to: <https://my.uiw.edu/studentconduct/hazing-policy.html>.

## **Section 15: Medical or Psychological Withdrawal Policy - Voluntary & Involuntary**

The following policies and procedures are to be used to help transition a student to a safer and/or more conducive environment when remaining at the university is not in the best interest of the student or the university community. This policy encourages a student to withdraw voluntarily when medical conditions or psychological distress make a withdrawal necessary; it seeks to ease that transition and potential return to the university. When a student is encouraged to voluntarily withdraw from the university and that encouragement has been unsuccessful, an involuntary withdrawal under this policy may be implemented.

### **A. Student-Initiated Medical or Psychological Withdrawal**

Students who elect to withdraw from the university for medical or psychological reasons are required to reapply

for admission and will be treated as any other applicant for admission at that time. If there are pending administrative charges/concerns at the time of withdrawal, then the student's return may be treated similarly to a university-initiated withdrawal.

## **B. University-Initiated Medical or Psychological Withdrawal**

If a student is behaving in a way which is threatening or disruptive to others, the Vice President for Campus Life and Facility Management (or designee) may initiate these procedures. The Vice President for Campus Life and Facility Management (or designee) is empowered with the discretion to define within their professional judgment what is sufficiently threatening and/or disruptive to warrant invoking a University-Initiated Medical or Psychological Withdrawal.

### ***1. Standard for Involuntary Withdrawal on the Basis of Threat of Harm to Others***

This section applies to all involuntary withdrawals from housing or from the university for any student who is at significant risk of harm to others as a result of a condition covered by disabilities law. When the potential for harm to others is present, involuntary withdrawal actions must consider whether the endangering behavior results from a condition of disability. If so, the student will be protected by Section 504 of the Rehabilitation Act of 1973. Under this federal statute, an individual with a disability may only be separated on the basis of this disability when they are not otherwise qualified to participate in the education program of the institution.

Disability here will unlikely be the qualified disability on record with the disability services office. Instead, protection of disability laws here comes from institutional perception and treatment of a student as an individual with a disability. The objective of this section is to determine whether it is more likely than not that a student is a direct threat.

A direct threat exists when a student poses a significant risk to the health or safety of others. A significant risk constitutes a high probability of substantial harm. Significance will be determined by:

1. The duration of the risk;
2. The nature and severity of the potential harm;
3. The likelihood that the potential harm will occur; and
4. The imminence of the potential harm.

The university must determine whether reasonable accommodations to policies, practices, or procedures will sufficiently mitigate the risk, unless those reasonable accommodations would cause undue hardship for the university.

Determining that a student is a direct threat requires an objective and individualized assessment and hearing. The assessment must be based on a reasonable medical judgment that relies on the most current medical knowledge and/or on the best available objective evidence. This standard also applies to the reinstatement of a student who has been withdrawn. They are entitled to return upon showing they no longer pose a direct threat of harm to others.

### ***2. Status of Conduct Proceedings***

If the student has been accused of a violation of the Student Code of Conduct, but it appears that the student is not capable of understanding the nature or wrongfulness of the action, this policy may be activated prior to issuance of a determination in the conduct process. Interim suspension for threat of harm to others may also be imposed. If the student medically withdraws from the university, or another action is taken under these provisions following a finding that the student's behavior was the result of a lack of capacity, such action would

suspend and expunge the pending conduct action. If the student is found not to be subject to withdrawal, conduct proceedings may be reinstated.

### ***3. Referral for Assessment or Evaluation***

The appropriate official (or Campus Assessment, Response and Evaluation (CARE) Team) may refer or mandate a student for evaluation by a campus or independent licensed psychiatrist or psychologist (or licensed professional counselor, social worker, licensed clinical social worker, etc.) chosen by the institution. Such evaluation may be ordered if it is believed that the student may meet the criteria set forth in this policy or if a student subject to conduct proceedings provides notification that information concerning a mental/behavioral disorder will be introduced.

Students referred or mandated for evaluation will be so informed in writing with personal and/or certified delivery and will be given a copy of these standards and procedures. The evaluation, conducted at the student's expense, must be completed within five business days from the date of the referral letter, unless an extension is granted by the office of the appropriate official. A student who fails to complete the evaluation in accordance with these standards and procedures, and/or who fails to give permission for the results to be shared with appropriate administrators, will be referred for conduct action.

### ***4. University-Initiated Withdrawal Hearing Procedures for Direct Threat of Harm to Others***

#### *a.) Administrative Hearing Option*

The Dean of Campus Life (or designee) may invoke informal resolution procedures to determine the need for involuntary withdrawal without a formal hearing. This process is also known as an administrative hearing. In administrative hearings, medical and administrative evidence (e.g. CARE Team assessment) will be heard, and final determinations will be made, by the Dean of Campus Life (or designee).

If the medical evaluation and/or administrative assessment (e.g. CARE Team assessment) support the need for a withdrawal, the Dean of Campus Life will render a written decision within two business days, barring exigent circumstances, stating the rationale for their determination. The decision will be delivered to the student directly or by certified means. If the determination is made that a withdrawal is warranted, the notification will include information regarding how long the withdrawal may endure, as well as specifying any conditions of reinstatement. If other actions are pending, the appropriate individuals will be notified and may proceed with their actions.

#### *b.) Formal Hearing Option*

The student subject to an involuntary withdrawal may request a formal hearing in lieu of the administrative hearing described above. If the medical evaluation and/or administrative assessment (e.g. CARE Team assessment) supports the need for a withdrawal, a hearing will be scheduled before the Dean of Campus Life (or designee), the Director of Counseling Services, the Director of Health Services and/or other administrators as deemed appropriate. The student will be informed, in writing, with personal and/or certified delivery, of the time, date and place of the hearing. The student will be given at least two business days to independently review the psychological or psychiatric evaluation prior to the hearing. The student will be notified of who is expected to present information at the hearing and is expected to notify the Dean of Campus Life (or designee) of any witnesses the student intends to bring. The student may, at the discretion of the Dean of Campus Life (or designee), be assisted by an advisor in the hearing. An advisor is defined in this process as a current member of the faculty, staff or administration of the university. Law permits a student to have an attorney present to attend/advise, but not represent the student, during a formal involuntary withdrawal hearing.

The student and the student's advisor may present information about the necessity of involuntary withdrawal and the student will be given the opportunity to ask questions of others presenting information. The hearing will be conversational and non-adversarial; however, the Dean of Campus Life (or designee) will exercise active control over the proceeding, to include deciding who may present information. Formal rules of evidence will not apply. Anyone who disrupts the hearing may be excluded. There will be a single verbatim record, such as a tape recording, for all involuntary withdrawal hearings. The record will be the property of the university and maintained according to the university's record retention policy.

A written decision will be rendered by the committee within two business days, barring exigent circumstances, stating the rationale for its determination. The decision will be delivered to the student directly or by certified means. If the determination is made that a withdrawal is warranted, the notification will include information regarding when reapplication may be made, as well as specifying any conditions of reinstatement. If other actions are pending, the appropriate individuals will be notified and will proceed with their actions.

### ***5. Appeals Process***

The determination of the involuntary withdrawal hearing, administrative or formal, is subject to appeal to the Vice President for Campus Life and Facility Management in accordance with the following process:

Students subject to involuntary withdrawal may petition for a review of the determination within three (3) business days of issuance of the hearing committee's written decision. All petitions must be in writing and delivered to the Vice President for Campus Life and Facility Management. Reviews will only be considered for one or more of the following purposes:

1. To consider new information which was unavailable at the time of the original hearing and could be outcome determinative;
2. To assess whether a material deviation from written procedures impacted the fairness or outcome of the hearing;
3. To decide if an involuntary withdrawal is disproportionate to the severity of the threat evidenced in the hearing;
4. To determine if the decision does not align with the information provided in the hearing or whether reasonable accommodations might mitigate the risk without a withdrawal; or
5. To assess whether bias on the part of a hearing committee member deprived the process of impartiality.

Except as required to explain the basis of new information unavailable at the time of a hearing, review of a hearing will be limited to the verbatim record of the initial hearing and/or all supporting documents. The review and appeal decision of the Vice President for Campus Life and Facility Management is final.

### ***6. Readmission Following an Involuntary Withdrawal***

A student who is seeking reinstatement to the university after an involuntary withdrawal must receive clearance by providing the Vice President for Campus Life and Facility Management (or designee) with written evidence from a licensed medical or mental health professional that the student is no longer a direct threat to others and is otherwise qualified to participate in the UIW educational program.

## Section 16: Missing Student Notification Policy & Procedure

Pursuant to section 488 of the Higher Education Opportunity Act of 2008 and adapted from the UIW Campus Police Missing Persons protocol, this policy and procedure will apply to all students residing in on-campus housing and in response to a missing student report.

A student may be considered a missing person by the university when their whereabouts are unknown and unexplained for a period of time that is regarded by knowledgeable parties as highly unusual or suspicious in consideration of the subject's behavior patterns, plans or routines.

Any time a student is believed to be missing, whether or not the student is a campus resident, the appropriate police department should be contacted. The Campus Police Department, Dean of Campus Life, and the Director of Residence Life will work together to locate missing students, notify appropriate local law enforcement, and check on the welfare of such students. As part of the residential check-in procedure and university enrollment process, all students are afforded the opportunity to provide, on a voluntary basis, contact information for individuals to be notified in case of emergency, and this emergency contact will serve as a contact if the student goes missing unless the student specifies otherwise.

Registered contact information will remain confidential, accessible to campus officials and may not be disclosed except to law enforcement personnel in the furtherance of a missing person investigation.

Anyone who believes a student to be missing should report their concern to the UIW Campus Police Department at (210) 829-6030. Most missing person reports in the university environment result from a student changing their routine without informing their roommates and/or friends of the change. Every report made to Campus Police will be followed up with an immediate investigation once a student has been missing for 24 hours, though instances of bizarre disappearances, suspected kidnapping, or potential crimes will be acted upon immediately when reported.

If a residential student is presumed to be missing, the university will notify the emergency contact, parent or legal guardian within 24 hours after it has been determined that the student is missing. For students under the age of 18, a call will be made to the custodial parents, regardless of who is designated by the student as the emergency contact. In the event that emergency contact notification is necessary, Campus Police will place the call.

The university official receiving the report will collect and document the following information at the time of the report:

- a) The name and relationship of the person making the report.
- b) The date, time, and location the missing student was last seen.
- c) The general routine or habits of the suspected missing student (e.g. visiting friends who live off campus, working a job away from campus) including any recent changes in behavior or demeanor)
- d) The missing student's cell phone number (if known by the reporter).
- e) Whether a local police department has been notified.

Upon notification from any entity that a student may be missing, the university may use any or all of the following resources to assist in locating the student:

- a) Call the student's room.

- b) Go to the student's residence hall room.
- c) Talk to the student's RA, roommate and floor mates to see if anyone can confirm the missing student's whereabouts and/or confirm the date, time and location the student was last seen.
- d) Secure a current student ID or other photo of the student from a friend.
- e) Call and text the student's cell phone and call any other numbers on record.
- f) Send the student an email.
- g) Check all possible locations mentioned by the parties above including, but not limited to: library, residence hall lounges, classroom and recreational facilities, etc.
- h) Contact or call any other on-campus or off-campus friends or contacts that are made known. This could include checking a student's social networking sites such as Facebook and Twitter.
- i) Ascertain the student's car make, model and license plate number.

The Office of Infrastructure Support may be asked to obtain electronic logs in order to determine the last time the student accessed the university network.

### Section 17: Parental Notifications

The University of the Incarnate Word reserves the right to notify parents/guardians of dependent students regarding any conduct situation, particularly alcohol and other drug violations. The university may also notify parents/guardians of non-dependent students who are under the age of 21 of alcohol and/or other drug violations. The University of the Incarnate Word will attempt to contact the parents/guardians of a student to inform them of situations in which there is a health and/or safety risk. The University of the Incarnate Word also reserves the right to designate which university employees have a legitimate need to know about individual conduct complaints pursuant to the Family Educational Rights and Privacy Act (FERPA) and will share information accordingly.

### Section 17: Pet Policy

The purpose of this policy is to provide for the health and safety of University of the Incarnate Word (UIW) students, faculty, staff, and visitors and for the protection of UIW property. Rules have been established in order to meet the needs of pet owners while protecting UIW students, faculty, staff, and visitors who may use service animals, have fears, allergies, or which could cause a pet to interfere with that person's ability to work or study. ### Section 18: Posting Policy

#### **Creating and Distributing Printed Materials**

UIW supports the freedom to publicize activities and distribute materials by internal or external entities relating to functions on and off campus, which benefit the university community and are consistent with UIW values. One original sample of the flyer must be submitted to the Campus Life Office for stamped approval. Approved flyers may be copied as necessary for distribution. Please allow two (2) business days turnaround time for approval.

The following posting guidelines are shared by the entire university community, to include students, faculty, and administration.

## Requirements for Materials

1. Posters cannot be larger than 3'x3' unless approved in advance by the Director of Campus Engagement.
2. Yard signs are permitted. A map indicating where the yard signs will be displayed, and the duration of time the signs will be posted must be submitted to the Communications and Marketing Office before the signs are posted on campus.
3. The materials used to chalk the sidewalks must be water-soluble, powder-based sidewalk chalk.
  - a. Chalking is a form of posting and must be approved when completing an Event Approval Form online. To fill out an Event Approval Form, please register at CardinalSync
4. After your event is over, please take down all marketing materials within 24 hours. If that does not occur, we will impose a fine of \$25 per poster/sign removed with a total fine up to \$250. Future posters from your group/organization will not be approved until the fine is paid.

## Getting the Posters Approved

### ***Student groups and external groups:***

1. You must get your posters approved by the Director of Campus Engagement in the office of Campus Life.
2. Please bring one original and make copies after your flyer is approved. If your organization has multiple printed or color copies, a member of your organization must stamp and date the flyers in the Office of Campus Life once approved.
3. It is not the responsibility of the Office of Campus Life staff to post your approved flyers.

### ***UIW departments/schools:***

1. Your poster design (art work) must be approved by both the UIW Office of Printing Services and Graphic Design and the UIW Communications and Marketing Office BEFORE the signs are printed/produced. You may submit to both offices simultaneously or to either office first and they will forward to the other respective office. This applies to yard signs and banners as well.

### ***For all groups:***

1. Single event signage, which has been approved, may only post for a maximum of 30 days. Signage for events with multiple dates must receive special approval for extended posting durations.
2. Please allow 2 business days for approval through each appropriate office.

## Approved Posting Locations

All materials must be approved through the Office of Campus Engagement prior to material posting. After approval, there will be a Campus Engagement stamp with the date of last approved date for marketing. All student organization events must have been approved through CardinalSync prior to any promotions.

### Section 20: Sexual Misconduct, Sexual Harassment, Stalking and Relationship Violence Policies

In accordance with the Campus SaVE, Violence Against Women Act (VAWA), as amended, Title IX, the Clery Act, and other state and federal laws, the University of the Incarnate Word is committed to providing an

environment that emphasizes the dignity and worth of every member of its community and that is free from sexual misconduct, including sex based discrimination; sexual harassment; sexual assault; sexual exploitation; stalking; relationship violence (including domestic and dating violence), and retaliation. The University of the Incarnate Word is committed to addressing and working towards preventing crimes of sexual violence. The university encourages the prompt reporting of any incidents. **Section 21: Safe Harbor/Voluntary Disclosure**

A student who has engaged in prohibited drug/banned drug or alcohol use is encouraged to seek assistance from Student Conduct and Community Standards by voluntarily disclosing use prior to a report of an alcohol or drug violation.

If the student seeks assistance prior to being identified as having violated this policy, the impermissible use will not be deemed an offense for purposes of determining sanctions under this policy. The Dean of Campus Life and the Director of Student Conduct and Community Standards will work collaboratively to enforce this policy and to support all students participating in the Voluntary Disclosure/Safe Harbor program. Any student entering the Safe Harbor program may be required to take a drug test (at the student's expense) to establish a baseline for follow up testing.

Upon requesting Safe Harbor, a student must meet with Dean of Campus Life or the Director of Student Conduct and Community Standards. This meeting must take place within 7 days of the student's request for Safe Harbor. The purpose of the meeting is to discuss the student's needs, and an initial plan to address the student's illegal alcohol or other drug use (e.g. substance abuse assessment, counseling, treatment, etc.).

While participating in the Safe Harbor program, the student must fulfill the planned requirements assigned by the Dean of Campus Life/Director of Student Conduct and Community Standards. (Requirements will include speaking/meeting with a counselor/therapist about their substance abuse, receiving a substance abuse assessment from an assigned agency, etc.). The student will be permitted to remain in Safe Harbor for a reasonable period of time as determined by their treatment plan.

If a student fails to meet with the Dean of Campus Life/Director of Student Conduct and Community Standards within the 7-day timeframe, the request for Safe Harbor is considered null and void, and the student is subject to all potential consequences of illegal drug use. Failing to complete the treatment plan and/or any other

requirements from the Dean of Campus Life/Director of Student Conduct & Community Standards or designee, and/or having a positive test for any banned substance that indicates new use after entering the program will be deemed a first offense under this policy.

If a counselor/therapist determines that a student-athlete should not continue participation, the student-athlete will not be permitted to return to participation until re-entry into intercollegiate sports is deemed appropriate.

At the conclusion of the treatment plan, the student will be required to undergo a screening to verify that the student is free of illegal substances.

These organizations provide students with opportunities for leadership, fellowship and self-government. Information regarding the University of the Incarnate Word organizations is available to members of the university community. Student contact information (name, address, phone and office held) is not available to outside groups and is not to be disseminated by other members of the university community.

For more information about student organizations, please refer to the Student Organization Handbook, available at <https://www.uiw.edu/studentlife/organizations/index.html>.

The Student Right to Know and Campus Security Act of 1990 is a federal mandate which requires all current students and employees be provided with information on policies and procedures involving campus security, the reporting of criminal action or other emergencies, and the enforcement authority of security personnel. This information must also include descriptions of programs for students and employees about campus security and crime prevention, as well as statistics on the occurrence of specific crimes. Notification of the annual report is made by the UIW Chief of Police and the full report is posted on the university website annually and written copies are available upon request.

## Section 26: Student Sales & Fundraising Policy

Sales will be conducted by registered student organizations only. Sales in stationary locations on campus must be approved by the Director of Campus Engagement and appropriate forms must be completed on Orgsync before the event. No bake sales may be conducted in the vicinity of Hortencia's. Individuals or organizations may not sell or solicit donations off campus in the name of the university unless prior authorization is given by the Office of Campus Engagement, and the Vice President of Institutional Advancement.

## Section 27: Vendor Exhibitor Policy

Vendors are generally confined to exhibit space at the Student Engagement Center. The following guidelines address the nature of exhibits allowed in the UIW Student Engagement Center.

1. All exhibits must meet the guidelines of the Student Engagement Center and be consistent with the Mission of UIW.
2. The approval of all vendors is at the discretion of the Director of Campus Engagement. Some businesses have an exclusive agreement with the university to market on campus, which excludes other similar businesses.
3. Exhibitors/vendors are strictly prohibited from asking for personal information such as driver's license, social security, or credit card numbers, or taking copies or digital images of student information.
4. An individual or group that is selling a product must pay the specified fee or be sponsored by a registered student organization. The organization must turn in an Activity Approval Form in advance of the event and handle all aspects of the agreement for the percentage of the sales.
5. No hawking or calling out is permitted at any time.

## Texas State Law and Alcohol

The Texas Alcoholic Beverage Commission (TABC) provides the following summary of Texas state alcohol laws and the mandatory legal sanctions imposed upon individuals found in violation of the law. For more information visit the TABC website: [https://www.tabc.state.tx.us/laws/underage\\_drinking\\_laws.asp](https://www.tabc.state.tx.us/laws/underage_drinking_laws.asp)

### Underage Drinking Laws

Minors who purchase, attempt to purchase, possess, or consume alcoholic beverages, as well as minors who are intoxicated in public or misrepresent their age to obtain alcoholic beverages, face the following consequences:

- Class C misdemeanor, punishable by a fine up to \$500
- Alcohol awareness class
- 8 to 40 hours community service
- 30 to 180 days loss or denial of driver's license

If a minor is seventeen years of age or older and the violation is the third offense, the offense is punishable by a fine of \$250 to \$2,000, confinement in jail for up to 180 days or both, as well as automatic driver's license suspension. A minor with previous alcohol-related convictions will have his or her driver's license suspended for one year if the minor does not attend alcohol awareness training that has been required by the judge.

### Penalties for Providing Alcohol to a Minor

Adults and minors who give alcohol to a minor also face a stiff penalty. The punishment for making alcoholic beverages available to a minor is a class A misdemeanor, punishable by a fine up to \$4,000, confinement in jail for up to a year, or both. Additionally, the violator will have his or her driver's license automatically suspended for 180 days upon conviction.

Persons 21 or older (other than the parent or guardian) can be held liable for damages caused by intoxication of a minor under 18 if the adult knowingly provided alcoholic beverages to a minor or knowingly allowed the minor to be served or provided alcoholic beverages on the premises owned or leased by the adult. Sale to a minor is a class A misdemeanor, punishable by a fine up to \$4,000, confinement up to a year in jail, or both.

### Zero Tolerance Law

In Texas it is illegal for a person under 21 to operate a motor vehicle in a public place while having ANY detectable amount of alcohol in their system. On September 1, 2009, this law was expanded to include watercraft in addition to motor vehicles.

- The consequences for the minor on the first offense of driving under the influence of alcohol:
  - Class C misdemeanor, punishable by a fine up to \$500
  - Attendance at an alcohol awareness class
  - 20 to 40 hours of mandatory community service
  - 60 days driver's license suspension. The minor would not be eligible for an occupational license for the first 30 days.
- A second offense increases the consequences to:
  - Class C misdemeanor, punishable by a fine up to \$500
  - Attendance at an alcohol awareness class at the judge's discretion
  - 40 to 60 hours of mandatory community service

- 120 days driver's license suspension. The minor would not be eligible for an occupational license for the first 90 days.
- A third offense:
  - is not eligible for deferred adjudication.
  - The minor's driver's license is suspended for 180 days and an occupational license may not be obtained for the entire suspension period.
  - If the minor is 17 years of age or older, the fine increases to \$500 to \$2,000, confinement in jail for up to 180 days, or both.

### Resources and Prevention Education Opportunities

Students are encouraged to participate in co-curricular alcohol and other drug education/prevention programming offered throughout the year. The programming is both active and passive and is free to enrolled students. The activities include such events as: National Night Out, Guest Speakers, On-line programs; Risk Management Training; Residence Life programming, etc.

### **Alcohol: How Do You Measure Up?**

An Interactive Assessment Tool; Program takes approximately 20 minutes. This tool lets students examine their drinking habits and compare them to their peers. It highlights impact such as:

- Money spent on drinks
- Caloric intake
- Possible adverse outcomes

### **Effects of Alcohol**

Alcohol affects every organ in the drinker's body and can damage a developing fetus. Intoxication can impair brain function and motor skills; heavy use can increase risk of certain cancers, stroke, and liver disease. Alcoholism or alcohol dependence is a diagnosable disease characterized by a strong craving for alcohol, and/or continued use despite harm or personal injury. Alcohol abuse, which can lead to alcoholism, is a pattern of drinking that results in harm to one's health, interpersonal relationships, or ability to work. Source: <https://www.drugabuse.gov/drugs-abuse/alcohol>

The National Institute on Alcohol Abuse and Alcoholism published the following information regarding the consequences of drinking and underage college students. For more information, visit these websites:

- <http://www.collegedrinkingprevention.gov/StatsSummaries/snapshot.aspx>
- <http://pubs.niaaa.nih.gov/publications/CollegeFactSheet/CollegeFact.htm>

### **What is Binge Drinking?**

Many college alcohol problems are related to binge drinking. Binge drinking is a pattern of drinking that brings blood alcohol concentration (BAC) levels to 0.08 g/dL. This typically occurs after 4 drinks for women and 5 drinks for men—in about 2 hours. Drinking this way can pose serious health and safety risks, including car crashes, drunk-driving arrests, sexual assaults, and injuries. Over the long term, frequent binge drinking can damage the liver and other organs.

### **How Much is a Drink?**

To avoid binge drinking and its consequences, college students (and all people who drink) are advised to track the number of drinks they consume over a given period of time. That is why it is important to know exactly what counts as a drink. In the United States, a standard drink is one that contains about 14 grams of pure alcohol, which is found in:

- 12 ounces of beer with 5 percent alcohol content
- 5 ounces of wine with 12 percent alcohol content
- 1.5 ounces of distilled spirits with 40 percent alcohol content

Unfortunately, although the “standard” drink amounts are helpful for following health guidelines, they may not reflect customary serving sizes. A large cup of beer, an overpoured glass of wine, or a single mixed drink could contain much more alcohol than a standard drink. In addition, while the alcohol concentrations listed are “typical,” there is considerable variability in alcohol content with each type of beverage.

### **Alcohol Poisoning and College Students**

Thousands of college students are transported to the emergency room each year for alcohol poisoning, which occurs when high levels of alcohol suppress the nervous and respiratory systems and the body struggles to rid itself of toxins produced from the breakdown of alcohol. Signs of this dangerous condition can include:

- Mental confusion, stupor, coma, or the person cannot be roused
- Vomiting
- Slow or irregular breathing
- Hypothermia or low body temperature, bluish or pale skin

Alcohol poisoning can lead to permanent brain damage or death, so a person showing any of these signs requires immediate medical attention. Don't wait. Call 911 if you suspect alcohol poisoning.

### **Commonly Used Drugs and their Risks**

The National Institute on Drug Abuse provides the following information. Most drugs of abuse can alter a person's thinking and judgment, leading to health risks, including addiction, drugged driving and infectious disease. Most drugs could potentially harm an unborn baby; pregnancy-related issues are listed in the chart below for drugs where there is enough scientific evidence to connect the drug use to specific negative effects. To learn more about each of the following commonly used drugs, their street names, their possible long and short-term health effects, including combining them with alcohol, and treatment options, click on this link: <https://www.drugabuse.gov/drugsabuse/commonly-abused-drugs-charts>

- Alcohol
- Ayahuasca
- Cocaine
- GHB
- Hallucinogens
- Marijuana
- MDMA (Ecstasy/Molly)
- Mescaline (Peyote)
- Methamphetamine
- Over-the-counter Cough/Cold Medicines (Dextromethorphan or DXM)
- Prescription Opioids
- Prescription Sedatives (Tranquilizers, Depressants)
- Prescription Stimulants
- Psilocybin
- Rohypnol© (Flunitrazepam)
- Salvia
- Steroids (Anabolic)
- Synthetic Cannabinoids
- Synthetic Cathinones (Bath Salts)
- Tobacco

### **Bystander Behavior**

There are four stages of bystander behavior:

1. Notice the event
2. Interpret it as a problem
3. Feel responsible for dealing with it
4. Possess the necessary skills to act safely

#### *How can you help?*

UIW is a community of students, faculty, staff, as well as our extended families and visitors. Everyone can step up to help, and not only during emergencies. You each can help another person make healthier choices every day and/or intervene or interrupt harmful behavior or speech that you witness. You can...

- Speak up when someone discusses plans to take advantage of or hurt another person;

- Offer to drive an incapacitated friend home from a party;
- Interject yourself into a conversation where another person seems unsafe;
- Call police when a person is yelling at another and it is safe to interrupt;
- Refuse to leave the area (and/or call police) if a person is trying to get you to leave so they can take advantage of another person;
- Speak up with people who use racist, sexist, or other harmful language;
- Encourage a friend/individual to explore resources to stop drinking or smoking;
- Confront people who seclude, hit on, try to make out with, or hook up with people who are incapacitated. Make sure the incapacitated person is safe and gets home safely;
- Ensure friends who are incapacitated do not leave the party or go to secluded places with others;
- Go out as a group and come home as a group – never separate and never leave your friend(s) behind;
- Ask a person you are worried about if they are okay. Provide options and a listening ear;
- Trust your instincts. If a situation doesn't seem "right" to you, trust your gut and remove yourself from the situation, if possible.

### *What to do?*

Our community members are expected to alert appropriate officials in the event of any health or safety emergency – specifically including those involving the abuse of alcohol or drugs – even if violations of the Student Code of Conduct may have occurred in connection with such an emergency.

- Contact emergency officials by calling UIW Campus Police at (210) 829-6030 or 911 to report the incident.
- Remain with the individual(s) needing emergency treatment and cooperate with emergency officials, so long as it is safe to do so.
- Meet with appropriate university officials after the incident and cooperate with any university investigation.
