Cardinal Cash

Cardinal Cash is a convenient program that allows students to make purchases off campus—giving students more options, variety, and flexibility. **Once you fund your Cardinal Cash account (which is separate from your meal plan), you can enjoy eating at your favorite restaurants off campus with just a swipe of your ID card.** Incarnate Word has partnered with an exclusive network of popular off campus merchants to give you the ultimate flexibility, variety, and value that you deserve.

Cardinal Cash works like a declining balance account—after your Cardinal Cash account has been funded, simply swipe your student ID card at any participating merchant. The purchase price is automatically deducted from your Cardinal Cash account—no additional fees or charges. Plus, get meal deals and discounts at local merchants! Not only is Cardinal Cash extremely convenient and flexible, but it's easy to manage. Accounts can be budgeted and tracked online. Students or parents can add any amount to the account at any time. Balances roll over from semester-to-semester and year-to-year so your money is never wasted. Now, you have the freedom to eat what, when, and where you want! If you have any questions regarding the program, please contact Off Campus Solutions at: 800-345-6126 or info@offcampussolutions.com. On campus, stop by the Campus Life Office in Marian Hall for information and a brochure. You can also visit www.MyCardinalCash.com for more information and to sign up.
