

# Come Join Us for

- You'll spend a week in the dorms with all bills paid by the TRiO - Student Success Program (including all meals).
- You'll learn where everything is on campus.
- You'll learn how to do things the "college way."
- You'll learn which majors prepare you for which jobs. (Some of these might surprise you!)
- You'll learn how to manage your time so that you have time for school, family, friends, work, etc.
- You'll not only identify your own personal "learning" preferences, you'll also get a chance to learn how to successfully use them in your college classes.
- You'll learn better ways to remember information for tests.
- You'll learn how to not only set goals but also how to achieve them!
- You'll learn how to deal with procrastination so that you don't "get behind" in your classes.
- You'll learn more about financial aid and how to get the optimum amount for school.
- You'll learn how to manage the stress that comes with being a college student!
- You'll get to take part in a **FREE** fun-filled day at **Sea World!**
