THE HISTORY OF WHATABURGER

For over 70 years, the burger joint that started in Corpus Christi, Texas, now has restaurants in Alabama, Arizona, Arkansas, Florida, Georgia, Louisiana, Mississippi, New Mexico, and Oklahoma.

The man behind the franchise, Harmon Dobson, had a small stand that served burgers so big, his customers had to hold them with two hands. His goal was to have a burger that was so delicious that the customers would say "what a burger!". The burgers were a hit, and the rest was history.

Whataburger opened 20 restaurants in Texas through the 1950's. By the end of the decade, they opened restaurant #21 in Pensacola, the first Whataburger located outside of the state of Texas.

Today, Whataburger has more than 800 franchises throughout the U.S. They have expanded their menu, but they never stopped serving hot, freshly made burgers on a five-inch bun. The company is still family owned and operated, and it feels like home to more than 40, 000 employees, called Family Members. Not only that, but it is home to millions of customers. "It is a brand built on pride, care, and love."

THEMES FROM CATHOLIC SOCIAL TEACHING

Adapted from the United States Conference of Catholic Bishops and Catholic Relief Services CST 101 Series

The Church's social teaching is a rich treasure of wisdom about building a just society and living lives of holiness amidst the challenges of modern society. Modern Catholic social teaching has been articulated through a tradition of papal, conciliar, and episcopal documents. The depth and richness of this tradition can be understood best through a direct reading of these documents. In these brief reflections, we highlight several of the key themes that are at the heart of our Catholic social tradition.

LIFE AND DIGNITY OF THE HUMAN PERSON

The Catholic Church proclaims that human life is sacred and that the dignity of the human person is the foundation of a moral vision for society. This belief is the foundation of all the principles of our social teaching. In our society, human life is under direct attack from abortion and euthanasia. Human life is threatened by cloning, embryonic stem cell research, and the use of the death penalty. The intentional targeting of civilians in war or terrorist attacks is always wrong. Catholic teaching calls on us to work to avoid war. Nations must protect the right to life by finding effective ways to prevent conflicts and resolve them by peaceful means. We believe that every person is precious, that people are more important than things, and that the measure of every institution is whether it threatens or enhances the life and dignity of the human person.

QUESTIONS TO PONDER

Every person is made in God's image.

- In whom is it easy to see God's image?
- Are there people who you struggle to believe are made in God's image? Why?
- How does this passage move or challenge you?
- As people of faith who believe in Christ's life, death and resurrection, why do we have a special call to ensure that every person's life and dignity is respected? How can we live out this call?

LET US PRAY

Creator God, help us honor the dignity of all people, especially those in whom God's face may be difficult to recognize. Inspire us to help protect human life in all its stages, at home and around the world. Amen

DEI (diversity, equity, and inclusion) CIRCLES

Mission and Ministry DEI Circles

Mission and Ministry invites you to join us this summer as we initiate new spaces for conversation and community building called DEI (diversity, equity, and inclusion) Circles. These are opportunities for you to find a safe space to learn and teach - through respectful conversation - about critical DEI issues. The primary goal is to foster awareness and support among students, faculty, staff and CCVI Sisters as we live out the Mission and values of UIW. In July, we will continue the focus on DEI issues and priorities of LGBTQ+, Asian American and Pacific Islanders, and Latinx communities. Members of these communities and allies within UIW are welcome to attend via Zoom. Additionally, we will continue our in-person, inter-faith prayer and sacred conversation meetings for racial healing and justice on Wednesdays and Fridays at 12:30 p.m. in Our Lady's Chapel. Finally, in July, we will also offer DEI Formation Circles on Critical Race Theory and Microaggressions.

DEI Conversation Circles - spaces for community building, support and action planning

- Friday - July 16, 23 and 30
 - 10 - 11 a.m. - [DEI Circle via Zoom - Asian/Pacific Islander Communities at UIW](#)
 - 12:30 - 1 p.m. - Pray & Act for Racial Justice in Our Lady's Chapel (in-person prayer and sharing)

DEI Formation Circles -spaces for teaching, learning, skills building and research

- July 21 and 23, 1:30 - 3 p.m. - "What are Microaggressions?"

https://uiw.zoom.us/meeting/register/tJwvceiopzlvG91OgwPYLQS_nSgg828k5CHx

Microaggression is a term being used to describe the day-to-day experiences of racial and gender prejudice. Sometimes it's an overt insult, but more often it is an ambiguous joke, an invasive question, a strange comment or an unwelcomed gesture. This circle hopes to create a safe space for examining our unconscious bias, questioning stereotypes and developing new skills for intercultural relationships in our teaching and learning UIW community.

- July 28 and 30, 1:30 - 3 p.m. - "DEI Implications for Healthcare"

<https://uiw.zoom.us/meeting/register/tJYpf-murjsjHtExPUs8YXH4aY1NYBBUnwTg>

Along with the COVID-19 pandemic, we have also experienced a time of heightened consciousness of the persistence of racism in our society. As we begin to recover from the worst of the pandemic's grip, it is time to ask the deeper questions about systemic racism and its impact on the health of People of Color, disproportionately affected by disease and access to care. This circle will provide a safe space for conversation on how UIW's health programs can respond to these critical realities in light of our Mission.

PROJECT UPLIFT: MY MOTIVATION

The University of the Incarnate Word Ettlign Center for Civic Leadership and Sustainability is inviting young women from seventh grade through college to the inaugural event Project Uplift: My Motivation. Encourage and prepare young women to support each other and to be heard in the community. Help them grow into leaders who make a difference in the world around them.

Saturday, Aug. 7, 2021

9 a.m. to 12 p.m.

UIW Broadway Campus | Student Engagement Center Ballroom

Our focus this year is finding your personal motivation for returning to school. We are inviting diverse and inclusive women from the community to speak and engage our community, working together to uplift and empower the women of UIW and San Antonio.

For more information, contact the Ettlign Center for Civic Leadership and Sustainability at ccl@uiwtx.edu or (210) 283-6423.

COVID-19 Reminders

Members of our campus community are reminded to take precautions to slow the spread of COVID-19. The best way to prevent infection is to take precautions to avoid exposure to this virus, which are similar to the precautions you take to avoid the flu. CDC always recommends these everyday actions to help prevent the spread of respiratory viruses:

Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer. Avoid touching your eyes, nose, and mouth with unwashed hands. Avoid close contact with people who are sick. Stay home when you are sick. Cover your cough or sneeze with a tissue, then throw the tissue in the trash. Clean and disinfect frequently touched objects and surfaces.

For more information, please visit the [CDC's Coronavirus website](#).

To stay up to date on the City of San Antonio's COVID-19 updates, [click here](#).

We will continue to monitor and update our campus community on the coronavirus outbreak as needed.

COMMUNITY MESSAGES

From UIW Behavioral Health Services

UIW Behavioral Health Services continues to offer counseling to students who are **physically in Texas** using Zoom or phone. To initiate counseling, please call us at **(210) 832-5656** between 8 a.m. and 5 p.m. and we will assist you in completing needed paperwork and getting scheduled immediately and seen as quickly as possible. Counseling is offered by appointment, 8 a.m. – 5 p.m., Monday through Friday. Some appointments are offered after 5 p.m. based on clinician availability. At this time, we do not provide services on weekends or holidays, but we are happy to direct you toward any needed weekend resources.

If you call us and leave a message outside of business hours, please be aware that we will return your call within 24 hours. If you contact us on the weekend or during a holiday, we will return your call the next business day.

If you are a faculty/administrator/staff member with concerns about classroom issues, in need of resource information, or inquiring about professional development/student presentations, please contact Director of Behavioral Health Services, Dr. Christie Melonson directly at (210) 829-3129 or via email at melonson@uiwtx.edu.

Should you have a serious concern about a particular student with possible mental health issues or if you have observed a behavioral incident, you are encouraged to make an online report and to contact Mr. Matt Carpenter, director of student conduct and community standards at (210) 805-5864.

Here are some tips for managing anxiety at this time:

- Do things you enjoy, no matter what they are. You could read through the pile of books you've been accumulating or play video games if it keeps your mind from worry mode and makes you happy!
- Virtually hang out with friends. There are tons of apps you can use to hang out with your friends and family. You can have a virtual meetup with Zoom, play games together on Discord, and FaceTime or Skype with your older family members.
- Engage in physical activity and workouts, as well as in activities involving deep breathing, stretching, and meditation. Take a walk around your neighborhood or stream yoga and attempt that pose you've always been wanting to do.
- Engage in spiritual practices and virtual spiritual gatherings. Many churches and other places of worship are live streaming services throughout the week. They are also offering virtual Bible studies and prayer sessions.
- Create routines for yourself and set small goals for what you would like to accomplish daily.
- Remind yourself that this time of quarantine is temporary and we are all doing the best we can!

- SAMHSA's National Helpline for mental health or substance abuse concerns: 1-800-662-HELP (4357)

If you are a student and feel that you are having a behavioral health emergency outside of clinic hours, please do the following:

- If you live on campus, please notify Campus Police, dorm staff or an administrator
- For students living off campus, call 911 or go to the nearest Emergency Room or Behavioral Health Hospital.

COMMUNITY MESSAGES

from the Office of Student Advocacy and
Accountability

Hello Cardinals,

As we start a new semester here at the University of the Incarnate Word, our hope is that each and every one of you will take advantage of the countless opportunities afforded to you as a Cardinal. Whether you are a new student, preparing for graduation, or somewhere in between, you are charged with ownership of the choices you make every day of your collegiate experience. Our hope is that you will make responsible choices that will promote your success and positively impact the UIW community and beyond. To assist you in your decision-making processes, we would like to equip you with both your rights and responsibilities as a Cardinal. You can find copies of the [UIW 2020-21 Student Handbook](#) and [the Behavioral Misconduct Procedures](#) on the Student Advocacy and Accountability website. These two documents outline various policies and procedures that affect students. I highly recommend you take the time to become familiar with these and bookmark them for future reference.

Additionally, as part of your experience, we strongly believe that student engagement can promote your overall success, and you may consider involvement in one of the many student organizations here at UIW. In accordance with Texas state law, we have included information about hazing and its prevention. Please visit the [Hazing Policy and Report page](#) of the OSAA website for our University Statement on Hazing. Also available on that page is the full University policy regarding hazing and reporting options if you experience or hear about hazing. We have also attached a copy of our January 2021 Hazing Report, which provides information on hazing investigations from the past three years.

Furthermore, we hope you will take ownership of your role as a Cardinal and adopt the values of the institution as your very own: Faith, Innovation, Service, Truth and Education. As a Cardinal, if you see something of concern, take action. You can report any incident or concern using our [online reporting forms](#).

Lastly, know that we are here to help you every step of the way. If you are unsure of what office can help meet your needs, feel free to reach out to our [Office of Campus Life](#). Join an organization, make new friends, attend a game, utilize campus resources and be engaged in campus activities and make the most of your time at UIW. Know that all UIW administrators, faculty and staff are rooting for you!

Again, we wish you the best as you embark on a successful semester at UIW.

Praised be the Incarnate Word!

Sincerely,

Matthew Carpenter
Director, Office of Student Advocacy and Accountability

and

Dr. Christopher Summerlin
Dean of Campus Life

COMMUNITY MESSAGES

From the UIW Medical Team

Dear UIW Students,

We would like to take a moment to thank everyone for their participation in the UIW COVID Vaccine Clinic. Thanks to many in our community, the clinic was a great success. Over 1200 in our community are now fully vaccinated as a result. As we move forward with our planning it is important to gather information from our community that will assist with next steps.

The UIW Medical Team, working with IT and campus leaders, have formulated a survey to better inform vaccination planning for UIW Health Services. Your answers will help UIW Health Services gauge interest in offering the COVID-19 vaccine as supplies become more readily available. Your answers will not bind or require you to have the vaccine.

Participation in this survey is voluntary, and in doing so, you are advised not to provide or send any information related to any medical, genetic, or disability-related information.

You can access the survey here: [UIW COVID-19 Vaccine Survey](#).

Thank you for your assistance.

Sincerely,

The UIW Medical Team

COMMUNITY MESSAGES

from UIW Counseling Services

UIW Counseling Services has now updated their website and made their intake paperwork available to all students seeking counseling services. This change will now make it easier for UIW students to access counseling services and streamline the scheduling process.

If you are interested in getting a counseling appointment with our UIW counseling department, please follow the link: <https://my.uiw.edu/counseling/index.html>, complete the appropriate forms, send to the email link listed online, and counseling services will give you a call within 2 business days to check your availability and offer available times for an appointment.

In case of a mental health crisis/emergency, please call our office at (210) 832-5656, call 9-1-1, or campus police at (210) 829-6030.

If you have any questions, please contact Counseling Services at (210) 832-5656.

Sincerely,

UIW Counseling Services Team
