Bachelor of Business Administration in **Accounting**

H-E-B School of Business and Administration

PROGRAM OVERVIEW

The Bachelor of Business Administration (BBA) in Accounting at the H-E-B School of Business and Administration prepares students for professions in all functional areas of accounting.

Students who choose the BBA in Accounting can expect a comprehensive and challenging program. Here, they can learn from and compete with the best and build strength of character that matters in the classroom, workplace and throughout life.

The BBA degree program offers a comprehensive and contemporary business education readying students to succeed in any number of fields. The business degree program also creates a strong foundation on which to develop field specializations. In addition to providing the technical skills necessary for a professional-level position, the ethical considerations of business are also emphasized. Rooted in the Mission of the University, the BBA degree program prepares students to be principled leaders.
