Bachelor of Business Administration in **Finance - Financial Planning**

H-E-B School of Business and Administration

PROGRAM OVERVIEW

The Bachelor of Business Administration (BBA) in Finance at the H-E-B School of Business and Administration develops global and social leaders who can direct companies and institutions to new paths of financial and economic growth that impact the whole community.

The BBA in Finance is a 120-hour program and offers two paths of specialization – Banking and Financial Planning, each of which prepare students for careers in the most significant areas in finance.

Financial Planning Path: The Financial Planning career path prepares students in areas of personal finance, such as risk management, insurance, estate planning, investment planning and retirement, among others. The Financial Planning career path is recognized by the CFP® Board as a registered program.

The BBA degree program offers a comprehensive and contemporary business education readying students to succeed in any number of fields. The business degree program also creates a strong foundation on which to develop field specializations. In addition to providing the technical skills necessary for a professional-level position, the ethical considerations of business are also emphasized. Rooted in the Mission of the University, the BBA degree program prepares students to be principled leaders.

PREREQUISITES AND COURSES
