Bachelor of Business Administration in General Business

H-E-B School of Business and Administration

PROGRAM OVERVIEW

The Bachelor of Business Administration (B.B.A.) in General Business at the H-E-B School of Business and Administration is designed for students interested in obtaining an interdisciplinary business administration degree.

The B.B.A. in General Business is a 120-hour program that covers a variety of topics within the business world. As part of the general business curriculum, students will choose courses from the fields of accounting, business law, economics, finance, information systems, international business, management and marketing.

The B.B.A. degree program offers a comprehensive and contemporary business education readying students to succeed in any number of fields. The business degree program also creates a strong foundation on which to develop field specializations. In addition to providing the technical skills necessary for a professional-level position, the ethical considerations of business are also emphasized. Rooted in the Mission of the University, the B.B.A. degree program prepares students to be principled leaders.
