

## Pin the link to the Cardinal Daily Health Check to your home screen

1. On your smartphone navigate to: [https://chkmkt.com/cardinal\\_daily\\_health\\_check](https://chkmkt.com/cardinal_daily_health_check) (note the \_ between words)
2. Complete the steps below to pin to your home screen for easy access every day

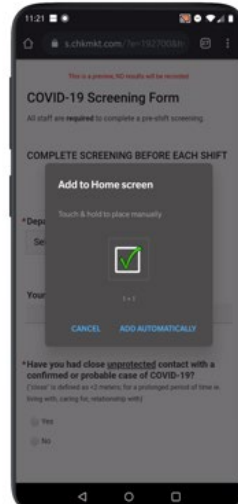

### Android Instructions:

Before you start the form, tap the menu button (three dots in the upper-right) and tap 'Add to home screen'.

Enter a name for the shortcut and click 'Add'

Click 'Add automatically'

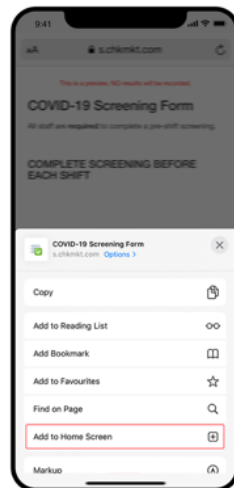

Chrome will add it to your home screen.

### iOS Instructions:

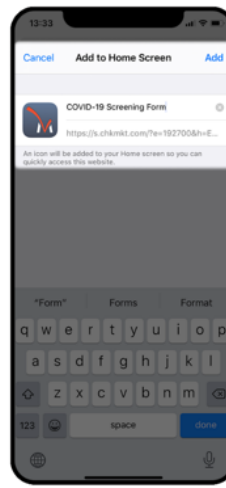

Open the survey in Safari:

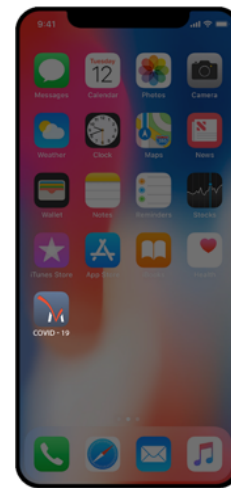

Before you start to the form, tap the share arrow.

Click the 'Add to home screen' button and tap it.

In this step, you can edit the name of the bookmark. Pick something short so you can see it all under the small icon label.

The survey is added to your home screen.
