## Bachelor of Arts in Spanish

College of Humanities, Arts and Social Sciences

### PROGRAM OVERVIEW

The Bachelor of Arts (B.A.) in Spanish in the College of Humanities, Arts and Social Sciences at the University of the Incarnate Word fosters knowledge of the language, history and cultural productions (art, literature, film and music) of the vast Spanish-speaking world. Classes taught entirely in Spanish provide students with the real-life communicative, research and analytical skills essential for various professions both within and beyond our national borders. Students interact in Spanish to promote language competence approaching that of native speakers.

The program offers two minors in Spanish:

- Spanish Studies Minor
- Spanish Proficiency Minor

### QUICK FACTS

- The B.A. in Spanish at UIW is a 121-hour degree program.
- UIW students have an opportunity to take part in an internship in Spanish. This professional preparation internship provides a practical experience as a language professional in an international or bilingual environment in an approved setting.
- UIW has two campuses in Mexico where students are encouraged to attend through the UIW Study Abroad program: Centro Universitario Incarnate Word, more commonly referred to as CIW, and the Universidad Incarnate Word Campus Bajío, more commonly referred to as Campus Bajío.
- UIW offers students a Bachelor of Arts in Spanish with an education minor, allowing graduates the opportunity to get certified professionally.

### ADMISSION REQUIREMENTS

The requirements for admission to the B.A. in Spanish program are the same as the requirements for admission to the University of the Incarnate Word.

Students with knowledge of Spanish should consider taking the Spanish CLEP exam to receive credit for SPAN 1311/1312. Degree-seeking students who have taken a second language in high school or who have acquired knowledge of a second language elsewhere may earn up to 12 additional credits for their previous language study/acquisition by completing a modern language course beyond the 1311 level. With a grade of "B" or better, credit will be given in that language for all of the courses in that language preceding the one in which the student has enrolled, to a maximum of 12 credits. See the UIW Undergraduate Bulletin for details.
