

Bachelor of MUSIC in MUSIC EDUCATION Degree Sequence (2016-2017)

Following this sequence increases the likelihood of completing the degree in the designated timeframe (eight Credits of coursework followed by one Credit of student teaching). Dropping courses, retaking classes, or registering for less than a full course load will delay graduation, so always consult your academic advisor before deviating from this suggested sequence. Students may enroll in a course only if they have met all prerequisites for that course. Check the UIW Bulletin for details.
