

Bachelor of Music (B.M.) in MUSIC THERAPY Course Sequence (fall 2018 update)

Following this sequence increases the likelihood of completing this degree in 9-10 semesters. Dropping courses, retaking classes, or registering for less than a full course load will delay graduation, so always consult your academic advisor before deviating from this suggested sequence. Students may enroll in a course only if they have met all prerequisites for that course. Summer school is strongly suggested for core courses. Check the UIW Bulletin for details.
