

**Bachelor of Arts in PSYCHOLOGY (Addiction Prevention—Community Track—no minor required)
Course Sequence (2013-2015)**

Following this sequence increases the likelihood of completing this degree in four years' time. Dropping courses, retaking classes, or registering for less than a full course load will delay graduation, so always consult your academic advisor before deviating from this suggested sequence. Students may enroll in a course only if they have met all prerequisites for that course. Check the UIW Bulletin for details.
