

CITY OF SAN ANTONIO

Your Housing Rights & Resources During COVID-19

Renters have protections during the COVID-19 pandemic:

- Bexar County courts will not hear evictions for non-payment of rent until at least June 1
- State-wide laws protecting renters from illegal lockouts or disconnections
- The federal CARES Act prevents notices-to-vacate and late fees at properties with federal funding
 - If you use a voucher to pay your rent, these protections apply to you
