 Revised 12/2022
 SIB04

UIW offers a discount to families with multiple dependent siblings from the same household attending UIW. Only siblings who are simultaneously enrolled as full-time undergraduate students on the Main Campus may apply.

- **DEADLINES:** The Sibling Discount Application is due August 21, 2023 to be considered for Fall/Spring; and January 16, 2024, to be considered for Spring only.
- All siblings must be simultaneously enrolled as full-time, undergraduate, Main Campus students (excludes certificate programs). Discounts will **not** be applied until after census of each semester, when final enrollment is verified.
- Discount amount is \$500 per approved semester for each sibling. The discount may only be used during Fall and Spring semesters and is not applicable to the Summer semester.
- Funds can only be applied towards tuition. Students who have other UIW scholarships, UIW discounts and UIW grants may combine the awards as long as the total does not exceed full-time tuition. Discount cannot be applied with athletic scholarships or ROTC waivers, and may affect veteran benefits.
- Siblings must reside in the same household and be verified as dependents on the FAFSA application each year to qualify, since funds are meant to support families who have multiple children at UIW.
- Although not based on need, students must complete the FAFSA application and be classified as dependents to apply. Funds from the Sibling Discount may impact other funds that are need-based.
- Siblings must apply for the discount and the FAFSA every academic year. International students may qualify for the discount and eligibility will be determined by the Office of International Admissions.
- If eligible, all siblings will be notified of the award adjustment through BannerWeb once the form is processed.

The following items must be completed prior to turning in this scholarship application:

- All students listed have completed the 2023-2024 FAFSA and are dependent students in the same household
- All students listed are undergraduate students, enrolled full-time on the UIW main campus (excludes certificates)
- All students are in good standing with UIW and are making satisfactory academic progress

Only one application is required per household.
