Certification Requirement

Degree Plan Requirement: All courses certified to the VA must be required for your degree plan at the time of certification. General electives can only be certified if the credit hours are required to graduate.

Repeat/GPA Boosting Courses: If a student successfully completes and passes a course it cannot be certified again to the VA. However, if a student fails the course and the program requires a higher grade than the one achieved, that course may be repeated and certified to the VA again.

Withdrawing or Dropping Courses
Students must report all dropped courses through the UIW VA Certification Form on Cardinal Apps. We encourage all students to contact the Military & Veteran Center if they are considering withdrawing or dropping a course post-census (after the 100% drop date). Withdrawals or drops are reported to the VA and may result in a student debt.

For Chapter 33 Post 9-11 GI Bill®: A drop or withdrawal could require the return of paid tuition, fees, or yellow ribbon payments back to the VA. Any outstanding balance would be the responsibility of the student and may incur a Business Office Hold.

Prior Credit
Students are responsible to submit all official transcripts to UIW for prior credit evaluation. Failure to submit transcripts on time may require the school to reverse certification for a course where transfer credit was given.

Processing Time
It is our priority to process all students in a timely manner. Once all required documents are received, please allow 4 business days to process your certification. Please note that students not meeting the certification requirements mentioned above can experience delays in their certification.

Billing
For students utilizing Chapter 33 Post 9-11 GI Bill® & Chapter 31 Benefits, the Military & Veteran Center will bill the VA after the 100% drop date each semester. VA Payment typically arrives 2-4 weeks after this date.

Parking Permit Fee
Students parking on campus are responsible to obtain a parking permit from the UIW Business Office. The VA does NOT cover the cost of the parking permit with the exception of Chapter 31 Vocational Rehabilitation Program. The University does grant a parking permit fee waiver for disabled/decorated veterans upon submission of their vehicle registration at the UIW Business Office.

Health Insurance Fee
All full-time Main Campus students are automatically charged for health insurance annually. The cost is not covered under VA Educational Benefits and can be waived by the pre-determined deadline on the UIW Business Office website.

Yellow Ribbon Program
The Yellow Ribbon Program for Chapter 33 Post 9-11 GI Bill® recipients who exceed the VA national annual funding cap allotted to private institutions. The remaining required tuition/fee charges are split 50% by the VA and UIW.

To Qualify: 100% Ch 33 Post 9-11 GI Bill® recipient with remaining months of benefits

To Apply: Submit a Yellow Ribbon Application (available each Spring) and a recent Certificate of Eligibility.
