The following are the minimum insurance guidelines and coverage requirements for short term lease agreements, special events, short- and long-term projects, and commercial lease of UIW or St. Anthony Catholic High School facilities and premises. The appropriate insurance requirements need to be inserted into the insurance section of the Agreement.

UIW Insurance Guidelines:

1. Any party to a contract with UIW is required to maintain insurance and submit a Certificate of Insurance and Additional Insured Endorsements as evidence of coverage that meets the requirements specified herein, according to the nature of the event, use, or service provided. UIW reserves the right to require specific coverage amounts, policies, or endorsements in addition to those described in the minimum coverage requirements, outlined below, or as necessary to comply with federal, state, and local rules and ordinances.
2. Certificates of Insurance and Additional Insured endorsements shall be provided to UIW not less than thirty (30) days prior to the effective date or start date of any contract or agreement.
3. The Certificate of Insurance shall list "University of the Incarnate Word" as the certificate holder, as follows:

4301 Broadway St., CPO 1
San Antonio, Texas 78209

The Certificate of Insurance shall list "St. Anthony Catholic High School" as the certificate holder, if their locations are being utilized under the Agreement as follows:

St. Anthony Catholic High School
4301 Broadway St., CPO 1
San Antonio, Texas 78209

4. The insurance policy must name the University of the Incarnate Word, its Board of Trustees' present and past members, employees, officers, directors, agents, and volunteers as additional insureds for both ongoing and completed operations under general liability, umbrella/excess liability, environmental liability, and all other policies unless otherwise specified by contract. St. Anthony Catholic High School must be named as an Additional Insured if their locations are being utilized under the Agreement.

5. A Waiver of Subrogation in favor of UIW and its Board of Trustees' present and past members, employees, officers, directors, and agents under all policies if required by written contract.
6. Insured parties must provide a minimum of thirty (30) days advance notice of cancellation, non-renewal, or material change of policies required under the Agreement.
7. Insurance coverage provided shall be primary and non-contributory to any insurance coverage or self-insurance maintained by UIW.
8. UIW requires that all parties to a contract with UIW provide a renewal Certificate of Insurance within five (5) days of policy renewal.
9. UIW may, in its sole discretion, require proof of professional liability and pollution liability coverage be provided for up to three (3) years after completion of a project or service.
10. The insured shall assess its own risks and if it seems appropriate and/or prudent, maintain higher limits and/or broader coverage. The insured is not relieved of any liability or obligation under its Agreement with UIW by reason of its failure to obtain or maintain insurance in sufficient amounts, duration, or types.
11. The insured agrees and understands that the insurance requirements specified in the contract or agreement do not reduce the liability the insured has assumed in the indemnification and hold harmless section of the contract or agreement.
12. UIW reserves the right to approve the security of the insurance coverages provided by the Insurance Compan(ies) terms, conditions, and the Certificate of Insurance. Failure of the insured to fully comply with these requirements during the term of the contract or agreement will be considered a material breach and will be cause for immediate termination of the contract or agreement in UIW's sole discretion.
