- **Student applicants:** Enter your Faculty Supervisor's email address to request his or her signature. If your Faculty Supervisor has never used the system before, he/she will have to create a New User account before you can send them a signature request. You might want to enter a message to inform them that you are requesting their signature for your IRB – a little communication goes a long way!

The image shows a dialog box titled "Request a signature" with a close button (X) in the top right corner. Below the title is the instruction "Enter the email address of the person you want to sign this form". There are two input fields: the first is labeled "Email Address" and the second is a text area labeled "Enter a message (Optional, max 800 characters)". Below these fields is a yellow warning box that reads: "Warning! Once all the signatures are signed, the form will be automatically submitted." At the bottom right of the dialog box are two buttons: "Request" (in blue) and "Close" (in grey).

- **Do not sign the form or request your Faculty Supervisor's signature until it is complete.** After the form has been signed, it will be locked from further editing and submitted automatically.
