

Structured Abstract Guidelines

PLACE TITLE IN UPPERCASE LETTERS ON THIS LINE, 1.75" BELOW TOP OF PAGE
AND IF TITLE IS MORE THAN ONE LINE, FORMAT IN INVERTED
PYRAMID SHAPE AND SINGLE SPACE BETWEEN LINES

Your Name

University of the Incarnate Word, Year (2 spaces below your name)

Research Focus. This heading begins three spaces below the university and year line. Headings begin at the left margin, are upper and lowercase, bolded, and end with a period. Begin the structured abstract text a single space after the period and single space the text following each heading. Writers are encouraged to include more detail in the structured abstract, which may be as long as two pages.

Research Methods. Heading is a double line space from text in previous section and text is formatted as in previous section.

Research Results/Findings. Heading is a double line space from text in previous section and text is formatted as in previous section.

Conclusions from Research. Heading is a double line space from text in previous section and text is formatted as in previous section.
