Accelerated Bachelor to Master of Arts in Communication Arts - Media and Culture

School of Media and Design

PROGRAM OVERVIEW

The Accelerated Bachelor's to Master's (ABM) program enables completion of a combined undergraduate and graduate degree in less time (minimum 5 years). The ABM is offered for all three Communication Arts concentrations: Media and Culture, Multimedia, and Strategic and Corporate Communication.

PREREQUISITES AND COURSES

Students must be enrolled in one of the three Communication Arts concentrations: Media and Culture, Multimedia, and Strategic and Corporate Communication. Students may apply for the ABM program in the beginning of their Junior year, after completing 62 undergraduate credit hours. Students with a cumulative GPA of 3.0 or higher will automatically be considered eligible for admission to graduate school.

QUICK FACTS

Students are able to finish their two degrees in 152 hours rather than the 158 required of a traditional consecutive undergraduate and a graduate program. An accelerated program results in a lower cost as well as time-savings for students because they are allowed to take up to 9 hours of graduate courses in their fourth year as part of the banded tuition.
