Bachelor of Fine Arts in **Interior Merchandising and Management**
Business Administration Concentration

School of Media and Design

PROGRAM OVERVIEW

The Bachelor of Fine Arts (B.F.A.) in Interior Merchandising and Management at the School of Media and Design offers four concentrations: Business Administration, Management, Marketing and Merchandising.

The Business Administration concentration is an interdisciplinary program that incorporates courses from the H-E-B School of Business and Administration. The Business Administration concentration employs a broad approach to business education and preparation, through which students gain proficiency in business fundamentals through courses in Accounting, International Business Management, Business Law, Management Theory and Practice, Marketing and Information Systems. They may also choose from a wide range of elective options.

ADMISSION REQUIREMENTS

- The requirements for admission to the B.F.A. in Interior Merchandising and Management program are the same as the requirements for admission to the University of the Incarnate Word.
- The Interior Design Department does not require a design portfolio for incoming students. In March/April of their Sophomore year, students are required to prepare and submit a portfolio of work from specific courses. Upon a successful review, those students will continue with their INTD or INMR degrees.
