

Department of Chemistry and Biochemistry Welch Summer Research Program

About the program:

Any STEM major interested in a summer research experience at UIW is encouraged to apply for the Welch Summer Research Program.

Participants selected as a Welch Summer Research Fellow will work full-time (40 hr/week) in a Chemistry or Biochemistry research laboratory for five weeks. The program begins on Tuesday, May 28, 2024 and ends on Friday, June 28, 2024.

A stipend of \$2,750 is paid on Friday, June 28, 2024 when the program ends.

How to Apply:

Complete the application form by Friday, March 22, 2024, and email it to bcamaril@uiwtx.edu.

Have Questions:

Talk with any Chemistry or Biochemistry Faculty Member.
