3. Select a day that works for you, then select the course. (If you don't see your course listed, we may not have a tutor for it. Please call us to inquire about specific courses at [210] 841-7254.)

## New Appointment

The screenshot shows the 'New Appointment' interface. On the left, under 'All Filters', the 'Tutoring' service is selected. A date picker shows 'September 2021' with the 28th highlighted. A red arrow points to the 28th. On the right, 'Tutoring Services' are listed: Biochemistry I (CHEM-4351), Genetics (BIOL-3361), and Cell Biology (BIOL-3311). A red box highlights a message: 'Please select one of the courses below to see available times at this location.' Below this, a button 'Request Alternate Appointment Time' is visible.

4. Select a day and time that work for you. **Note:** If you're wanting to work with a specific tutor, select "View individual availabilities" first.

## New Appointment

The screenshot shows the 'New Appointment' interface with filters applied. 'Tutoring' and 'Course-based Tutoring' are selected, and 'Genetics' is chosen as the course. The date is set to 'Tue, Sep 28th'. A red box highlights the 'View individual availabilities' link. Below, a list of available times is shown for 'Tue, Sep 28th', with '10:30 - 11:00 AM' highlighted by a red box. Other times include '4:30 - 5:00 PM' and '5:30 - 6:00 PM' for Wednesday, and several times for Thursday and Friday.

5. Review the appointment details on the confirmation page. Make special note of the tutor (“Staff”), as you will need the name if you’d like to extend the appointment length. Then, scroll down to fill in the remaining options (meeting type, comments if applicable, and whether you’d like a reminder for the appointment). Click “Schedule.”

6. **Extending the appointment time to an hour:** Self-scheduled appointments can only be set in 30-minute increments, but you’re welcome to extend your appointment length by repeating the process above (availability permitting). Before extending an appointment, make note of the tutor you scheduled with originally and select their specific availability (step 3) to ensure you are with the same person for the full 60 minutes. In case the same tutor is unavailable for the second half-hour, you may need to work with another tutor or return at a different time for another appointment. Please call us directly if you have any questions at (210) 841-7254.

**Appointment policy:** You may schedule up to two hours of tutoring per course ahead of time. After you attend one of the sessions, you are welcome to schedule additional time and continue the process as needed. We encourage you to keep coming back as much as you like.
